     - Will your drugs be covered?
     - Are your drugs in a different tier, with different cost sharing?
     - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
     - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
     - Review the 2020 Drug List and look in Section 1.6 for information about changes to our drug coverage.

   - Check to see if your doctors and other providers will be in our network next year.
     - Are your doctors in our network?
     - What about the hospitals or other providers you use?
     - Look in Section 1.3 for information about our Provider Directory.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amount

Because you get assistance from MassHealth (Medicaid), you do not have “out-of-pocket” costs for covered services. You pay nothing for medical services covered by Senior Care Options Program.

Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at www.commonwealthcaresco.org. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. Please review the 2020 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

It is important that you know that we may make changes to the hospitals, doctors, and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan, but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
• If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.

• If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.

• If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

Section 1.4 – Changes to the Pharmacy Network

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies.

There are changes to our network of pharmacies for next year. An updated Pharmacy Directory is located on our website at www.commonwealthcaresco.org. You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. Please review the 2020 Pharmacy Directory to see which pharmacies are in our network.

Section 1.5 – Changes to Benefits and Costs for Medical Services

Please note that the Annual Notice of Changes tells you about changes to your Medicare and MassHealth (Medicaid) benefits and costs.

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, Benefits Chart (what is covered), in your 2020 Evidence of Coverage. A copy of the Evidence of Coverage is available on our website at www.commonwealthcaresco.org. You may also call Member Services to ask us to mail you a copy of the Evidence of Coverage.

Section 1.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically. You can get the complete Drug List by calling Member Services (see the back cover) or visiting our website (www.commonwealthcaresco.org).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug.
  - To learn what you must do to ask for an exception, see Chapter 8 of your Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints)) or call Member Services.

- **Work with your doctor (or prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. For 2020, members in long term care (LTC) facilities will now receive a temporary supply that is the same amount of temporary days supply provided in all other cases: 31 days of medication rather than the amount provided in 2019, which was a 98-day supply of medication. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the Evidence of Coverage.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.

Formulary exceptions are usually valid for 12 months from the approval date unless the prescription is written for a shorter amount of time and/or shorter approval duration is noted in the approval letter.

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

Starting in 2020, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost sharing tier and with the same or fewer restrictions. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.
Also, starting in 2020, before we make other changes during the year to our Drug List that require us to provide you with advance notice if you are taking a drug, we will provide you with notice 30, rather than 60, days before we make the change. Or we will give you a 31 day, rather than a 60-day, refill of your brand name drug at a network pharmacy.

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about the changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

### Changes to Prescription Drug Costs

*Note:* Because you are eligible for MassHealth (Medicaid), you qualify for and are getting “Extra Help” from Medicare to pay for your prescription drug plan costs. We have included a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you didn’t receive this insert with this packet, please call Member Services and ask for the “LIS Rider.” Phone numbers for Member Services are in Section 6.1 of this booklet.

Because you get assistance from MassHealth (Medicaid), you do not have “out-of-pocket” costs for covered prescription drugs. You pay nothing for prescription drugs covered by Senior Care Options Program.

### SECTION 2  Deciding Which Plan to Choose

**Section 2.1 – If you want to stay in Senior Care Options Program**

To stay in our plan you don’t need to do anything. If you do not sign up for a different plan or change to Original Medicare, you will automatically stay enrolled as a member of our plan for 2020.
Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan at any time,
- $OR-$ You can change to Original Medicare at any time.

If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan.

To learn more about Original Medicare and the different types of Medicare plans, read Medicare & You 2020, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to https://www.medicare.gov and click “Find health & drug plans.” Here, you can find information about costs, coverage, and quality ratings for Medicare plans.

Step 2: Change your coverage

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from Senior Care Options Program.
- To change to Original Medicare with a prescription drug plan, enroll in the new drug plan. You will automatically be disenrolled from Senior Care Options Program.
- To change to Original Medicare without a prescription drug plan, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
  - $or-$ Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

If you switch to Original Medicare and do not enroll in a separate Medicare prescription drug plan, Medicare may enroll you in a drug plan unless you have opted out of automatic enrollment.

SECTION 3 Changing Plans

If you want to change to a different plan or Original Medicare for next year, you can do it from now until December 7. The change will take effect on January 1, 2020.
Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year.

Note: Effective January 1, 2020, if you’re in a drug management program, you may not be able to change plans.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 9, Section 2.3 of the Evidence of Coverage.

SECTION 4 Programs That Offer Free Counseling about Medicare and MassHealth (Medicaid)

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Massachusetts, the SHIP is called Serving the Health Information Needs of Elders (SHINE).

SHINE is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. SHINE counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHINE at 1-800-AGE-INFO (1-800-243-4636). You can learn more about SHINE by visiting their website (www.800ageinfo.com).

For questions about your MassHealth (Medicaid) benefits, contact MassHealth (Medicaid) 1-800-841-2900 (TTY: 1-800-497-4648), Monday - Friday, 8 a.m. - 8 p.m. Ask how joining another plan or returning to Original Medicare affects how you get your MassHealth (Medicaid) coverage.

SECTION 5 Programs That Help Pay for Prescription Drugs

Because you have MassHealth (Medicaid), you are already enrolled in ‘Extra Help,’ also called the Low Income Subsidy. Extra Help pays some of your prescription drug premiums, annual deductibles and coinsurance. Because you qualify, you do not have a coverage gap or late enrollment penalty. If you have questions about Extra Help, call:

- 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;
- The Social Security Office at 1-800-772-1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call, 1-800-325-0778 (applications); or
• Your State MassHealth (Medicaid) Office (applications).

**SECTION 6  Questions?**

**Section 6.1 – Getting Help from Senior Care Options Program**

Questions? We’re here to help. Please call Member Services at 1-866-610-2273 (TTY only, call MassRelay, 711). We are available for phone calls 8 a.m. – 8 p.m., 7 days a week. Calls to these numbers are free.

**Read your 2020 Evidence of Coverage (it has details about next year’s benefits and costs)**

This Annual Notice of Changes gives you a summary of changes in your benefits and costs for 2020. For details, look in the 2020 Evidence of Coverage for Senior Care Options Plan. The Evidence of Coverage is the legal, detailed description of your plan benefits. It explains your rights and the rules you need to follow to get covered services and prescription drugs. A copy of the Evidence of Coverage is located on our website at [www.commonwealthcaresco.org](http://www.commonwealthcareso.org). You may also call Member Services to ask us to mail you an Evidence of Coverage.

**Visit our Website**

You can also visit our website at [www.commonwealthcaresco.org](http://www.commonwealthcareso.org). As a reminder, our website has the most up-to-date information about our provider network (Provider Directory) and our list of covered drugs (Formulary/Drug List).
