[2] Unit Types include: Units, Visits, Days, Hours

STANDARDIZED PRIOR AUTHORIZATION REQUEST FORM REFERENCE GUIDE

For complete details on Prior Authorization requirements, please reference the Provider Manual available on the CCA website:

MA: **https://www.commonwealthcarealliance.org/ma/providers/provider-manual-home/**

RI: **https://www.commonwealthcarealliance.org/ri/providers/provider-manual-home/**

What is the purpose of the form?

This form intended to assist providers by streamlining the data submission process for selected services that require prior authorization. It is important to note that an eligibility and benefits inquiry should be completed first to confirm eligibility, verify coverage, and determine whether or not prior authorization is required by the member's plan.

Who should use this form?

If you are a provider currently submitting prior authorizations through an electronic transaction, please continue to do so.

The standardized prior authorization form is intended to be used to submit prior authorization requests by Fax. Requesting providers should attach all pertinent medical documentation to support the request and submit to CCA for review.

The *Prior Authorization Request Form* is for use with the following service types:

Services	Definition (*includes but is not limited to the following examples*)
Ambulatory/Outpatient Services	Medical services provided to a member in an outpatient setting: hospital outpatient departments, hospital licensed health centers, or other hospital satellite clinics; physicians' offices; nurse practitioners' offices; freestanding ambulatory surgery centers; day treatment centers; surgical procedures.
Inpatient Care/Observation	Inpatient services are medical services provided to a member admitted to an acute inpatient hospital, including long term acute care, acute rehab, skilled nursing facility, and planned surgical procedures. This category also includes medical observation.
Outpatient Therapy	Occupational, physical, pulmonary or cardiac, and speech therapy services, including diagnostic evaluation and therapeutic intervention designed to improve, develop, cor-rect, rehabilitate, or prevent worsening functions that affect daily living that have been lost, impaired, or reduced as a result of acute or chronic medical conditions, congenital anomalies, or injuries.
Radiology	High-end radiology services including but not limited to: CT, CTA, MPI, MRA, MRI, MUGA, PET, Stress Echos, TEE, and TTE
Durable Medical Equipment (DME)	Equipment used to fulfill a medical purpose and enable mobility. Can be rented or purchased and can include wheelchairs, walkers, canes, med/surg supplies, renal supplies and prosthetic devices.
Home Health	Skilled Nursing; Home Physical Therapy, Occupational Therapy, Speech Therapy, and MSW; home health aide; home infusions
Long Term Support Services (LTSS)	Including but not limited to: Adult Day Health; Adult Foster Care; Day Services; Homemaker/Chore Services; Home Delivered Meals; Personal Care (Agency); Personal Care Attendant

Defining Data Elements

Provider Information	• The requesting provider is the physician and the servicing provider can be the same physician as the requesting provider or the facility where the service will be provided. • The contact person is the person who is filling out the form.
Diagnosis & Service Codes	• CPT/HCPCS/REV Codes and descriptions are required in order for a request to be processed. • ICD-10 Codes are required for the diagnosis relevant to the requested services
Other Information	• Any supporting clinical documentation should be submitted in addition to this form for prior authorization approval. • For services not listed, please refer to plan specific medical policies for prior authorization requirements. • Some services may require physician signature and should be submitted with the supporting clinical documentation.
