Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs (also called a Low Income Subsidy Rider or LIS Rider)

Please keep this notice—it is part of CCA Senior Care Options (HMO D-SNP) Evidence of Coverage.

As an individual who is covered by both Medicare and Medicaid (MassHealth Standard), you qualify for extra help paying for your prescription drug coverage. This means you do not have any costs for prescription drug coverage under our plan. This also means that you must follow all the rules and procedures in the Evidence of Coverage.

Please see the chart below for a description of your prescription drug coverage:

Your monthly plan premium is	Your yearly deductible is	Your cost sharing amount for generic/preferred multi-source drugs is no more than	Your cost sharing amount for all other drugs is no more than
0*	\$0	\$0 (each prescription)	\$0 (each prescription)

* The monthly plan premium does not include any Medicare Part B premium that you may still need to pay. The plan premium you pay has been calculated based on the Plan's premium and the amount of extra help you get.

Please refer to your Evidence of Coverage for more information on paying your plan premium.

We offer coverage of some supplemental prescription drugs not normally covered in a Medicare Prescription Drug Plan. These drugs are covered under your Medicaid (MassHealth Standard) benefits.

Medicare or Social Security will periodically review your eligibility to make sure that you still qualify for extra help with your Medicare prescription drug plan costs. Your eligibility for extra help might change if there is a change in your income or resources, if you get married or become single, or you lose MassHealth Standard (Medicaid).

Benefits may change on January 1 of each year. You must continue to pay your Medicare Part B premium if it is not paid for on your behalf.

Commonwealth Care Alliance (CCA) Senior Care Options (HMO D-SNP) is a health plan that contracts with both Medicare and the Commonwealth of Massachusetts Medicaid program to provide benefits of both programs to enrollees. Enrollment in the plan depends on contract renewal.
