Mail Order Pharmacy(ies)

If a prescriber initiates a prescription on your behalf, the mail order pharmacy is required to obtain consent from you prior to shipping or delivery any medications. You can get prescription drugs shipped to your home through our network mail order delivery program. Typically, you should expect to get your prescription drugs within 14 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at (800) 607-6861. The TTY/TTD line is 711 and is available 24/7 for your assistance. To learn more about mail order pharmacies, see Chapter 5 of the Member Handbook.
