Frequently Asked Questions (FAQ)	Answers
Will I get the same Medicare and MassHealth Standard (Medicaid) benefits in CCA's Senior Care Options that I get now?	<p>You will get most of your covered Medicare and MassHealth (Medicaid) benefits directly from CCA Senior Care Options. This means that some of the services you get now may change based on your needs, and your doctor and care team's assessment. You may also get other benefits outside of your health plan the same way you do now, directly from a state agency like the Department of Mental Health or the Department of Developmental Services.</p> <p>When you enroll in CCA Senior Care Options, you and your Care Team will work together to develop an Individualized Care Plan (ICP) to address your health and support needs, reflecting your personal preferences and goals.</p> <p>If you are taking any Medicare Part D prescription drugs that CCA Senior Care Options does not normally cover, you can get a temporary supply and we will help you to transition to another drug or get an exception for CCA Senior Care Options to cover your drug if medically necessary. For more information, call Member Services at the numbers listed at the bottom of the page.</p> <p>.</p>
