B. Background Information about the CCA Senior Care Options Network Providers

B1. Key terms

This section explains key terms in our Provider and Pharmacy Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment. It also includes and LTSS providers that you may use as a CCA Senior Care Options member.
 - Providers that are part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a licensed primary care physician, nurse practitioner, physician assistant, or a women's health specialist who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that is not your PCP. A **prior authorization** is different than a referral. It means

If you have questions, please call CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit ccama.org.

that **CCA Senior Care Options** (not your network PCP) must give you approval **before** we will cover a specific service, item, or drug or an out-of-network provider. If you don't get prior authorization, CCA Senior Care Options may not cover the service, item, or drug.

- Prior authorization is **not** needed for:
 - emergency care.
 - urgently needed care.
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area.
 - services from a women's health specialist.
 - preventive services.
- Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on prior authorization is available in Chapter 3 of the *Evidence of Coverage*.
- You will also be assigned a **Care Team**. Your **care team** is a group of people that will get to know your needs and work with you to help you create and carry out a care plan. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

Members of your care team may include:

- A **care partner** that helps you manage your medical providers and services. Your care partner works with you, the health plan, and your care team to make sure you get the care you need.
- Your **Primary Care Provider (PCP)**.

- **Geriatric Support Services Coordinator (GSSC)** to help you find and access support services available to you in the community. The GSSC is based out of your local Aging Services Access Point (ASAP). The ASAPs are listed on pages **440-441** of this Directory. (Both the care partner and GSSC may work as a part of your care team to make sure you get the care you need.)
- **Others if necessary**

Your care team or Member Services will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other healthcare provider. That way, you will get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- Immediately for urgently needed services or an emergency;
- Within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- Within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a primary care provider (PCP). You can choose any PCP in our network who is accepting new members. You can choose any PCP in our network who is accepting new members.

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with their medical group.

- If there is a particular specialist or hospital that you want to use, it is important to find out if they are affiliated with your PCP's medical group. You can look in this Directory, or ask CCA Senior Care Options Member Services to check if the PCP you want makes referrals to that specialist or uses that hospital.
- If you don't stay within your PCP's medical group, Senior Care Options may not cover the service.

To choose a PCP, refer to the list of providers in section C and choose a provider:

If you have questions, please call CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit ccama.org.

- That you use now, **or**
- Who has been recommended by someone you trust, **or**
- Whose offices are easy for you to get to.
- If you do not choose a PCP in our network, CCA Senior Care Options will choose one for you.
- If you want help in choosing a PCP, please call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. Or visit ccama.org.
- If you have questions about whether any service or care that you want or need is covered, talk to your care team or call Member Services at 866-610-2273 (TTY 711) 8 am to 8 pm, 7 days a week and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a CCA Senior Care Options member, you will be able to get Long-term Services and Supports (LTSS) if you need them, such as personal care, homemaking, companion, day programs, adult foster care, and transportation, amongst others. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

If you need LTSS, your care partner or geriatric support services coordinator can help you and your care team determine what options are available to support you in the way you want.

B5. How to access the CCA Senior Care Options network providers

You must get all of your covered services from providers within our network. If you use providers who are not in the CCA Senior Care Options network (**without prior authorization**), **you may have to pay the bill**.

A prior authorization (PA) is an approval from CCA Senior Care Options to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from

home. You can also use providers outside the plan for other non-emergency services if CCA Senior Care Options gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason. Also, it's possible that your PCP might leave our plan's network. In that case, you would have to find a new PCP.
- Remember, our plan's PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member Services if you are using a specialist or getting other covered services that require PCP approval. Member Services will help make sure that you can continue your specialty care and other services when you change your PCP.
- CCA Senior Care Options works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, CCA Senior Care Options can help you. Talk to your care team for assistance.

C. CCA Senior Care Options List of Network Providers

This part of the Directory includes a list of CCA Senior Care Options network providers who participate in and accept CCA Senior Care Options.

E. Background Information about CCA Senior Care Options Network Pharmacies

This Directory lists the pharmacies that you may use to get your prescription drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** CCA Senior Care Options and have agreed to provide prescription drugs to you as a member of the plan.

Please contact CCA Senior Care Options Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week, or your Care Coordinator for assistance.

We also list pharmacies that are in our network but are outside **Middlesex County** in which you live. You may also fill your prescriptions at these pharmacies. Please contact CCA Senior Care Options for additional information at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week.

CCA Senior Care Options members must use network pharmacies to get prescription drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
- Read the CCA Senior Care Options *Evidence of Coverage* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

For up-to-date information about CCA Senior Care Options network pharmacies in your area, please visit our website at ccama.org or call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the *Evidence of Coverage* and CCA Senior Care Options *List of Covered Drugs*. For the most up-to-date **List of Covered Drugs**, please visit our website at ccama.org or call Member Services at 866-610-2273 (TTY 711) 8 am to 8 pm, 7 days a week.

E1. Types of pharmacies in CCA Senior Care Options network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered prescription drugs to members through the mail or shipping companies.

If you have questions, please call CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit ccama.org.

- Home infusion pharmacies prepare prescription drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents on long-term care facilities, such as nursing homes.
- Specialty pharmacies fill prescriptions used to treat certain complex or chronic conditions that usually require close monitoring and special handling.

You are not required to continue using the same pharmacy to fill your prescriptions.

E2. Long-term supplies of prescriptions

- **Mail-Order Programs.** We offer a mail-order program that allows you to get up to a 100-day supply of your prescription drugs sent directly to your home.
- **100-Day Retail Pharmacy Programs.** Some retail pharmacies may also offer up to a 100-day supply of covered prescription drugs.

Typically, you should expect to get your prescription drugs within 14 days. If you do not get your prescription drug(s) within this time, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week.
