B. Perguntas mais frequentes (FAQ)

Encontre aqui respostas para as perguntas que tenha sobre a *Lista de Medicamentos Abrangidos*. Pode consultar todas as FAQ para obter mais informações ou procurar uma pergunta e a resposta.

B1. Que medicamentos sujeitos a receita médica estão na *Lista de Medicamentos Abrangidos*? (Para abreviar, a *Lista de Medicamentos Abrangidos* é designada como “Lista de Medicamentos”.)

Os medicamentos da *Lista de Medicamentos Abrangidos* que começa na secção C1 são os medicamentos abrangidos pelo CCA Senior Care Options. Os medicamentos estão disponíveis nas farmácias pertencentes à nossa rede. Uma farmácia pertence à nossa rede se tivermos um acordo com a mesma para trabalhar connosco e prestar-lhe serviços. Referimo-nos a estas farmácias como “farmácias da rede”.

Outros medicamentos, como determinados medicamentos de venda livre (OTC) e vitaminas, podem ser abrangidos pelo MassHealth. *Visite o website do MassHealth www.mass.gov/druqlist para obter mais informações. Também pode contactar o Centro de Apoio para Membros do MassHealth através do número 800-841-2900 e TTY 711, de segunda a sexta-feira, entre as 8 AM e as 5 PM. Apresente a sua identificação de membro para aviar as receitas médicas através do MassHealth.*

O CCA Senior Care Options abrange todos os medicamentos clinicamente necessários da Lista de Medicamentos se:

- o seu médico ou outro profissional de saúde indicar que precisa deles para melhorar ou manter-se saudável;
 - o CCA Senior Care Options concordar que o medicamento é clinicamente necessário para o seu caso; e
 - aviar a receita médica numa farmácia da rede do CCA Senior Care Options.
- Em alguns casos, tem de fazer algo antes de obter um medicamento (consulte a pergunta B4 para obter mais informações).

Também pode encontrar uma lista atualizada de medicamentos que abrangemos no nosso website em ccama.org ou contactar os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B2. A Lista de Medicamentos pode sofrer alterações?

Sim, e o CCA Senior Care Options tem de seguir as disposições do Medicare e do MassHealth (Medicaid) ao fazer alterações. Podemos adicionar ou remover medicamentos da Lista de Medicamentos ao longo do ano.

Também podemos alterar as nossas disposições sobre os medicamentos. Por exemplo, podemos:

- Decidir exigir ou não exigir autorização prévia para um medicamento. (Autorização prévia é a permissão do CCA Senior Care Options antes de poder obter um medicamento.)
- Aumentar ou alterar a quantidade de um medicamento que pode obter (os chamados limites de quantidade).
- Adicionar ou alterar restrições da terapia por etapas para um medicamento. (Terapia por etapas significa que tem de experimentar um medicamento antes de abrangermos outro medicamento.)

Para obter mais informações sobre estas disposições de medicamentos, consulte a pergunta B4.

Se estiver a tomar um medicamento que se encontrava abrangido no **início** do ano, geralmente não removemos nem alteramos a cobertura desse medicamento **durante o resto do ano**, exceto se:

- surgir no mercado um medicamento novo e mais barato que produza o mesmo resultado de um medicamento que se encontra na Lista de Medicamentos; **ou**
- constatarmos que um medicamento não é seguro; **ou**
- um medicamento for retirado do mercado.

As perguntas B3 e B6 abaixo têm mais informações sobre o que acontece quando a Lista de Medicamentos é alterada.

- Pode sempre consultar a Lista de Medicamentos do CCA Senior Care Options atualizada online em ccama.org. As atualizações da Lista de Medicamentos são publicadas mensalmente no website.
- Também pode contactar os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana, para verificar a Lista de Medicamentos atualizada.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B3. O que acontece quando há uma alteração na Lista de Medicamentos?

Algumas alterações da Lista de Medicamentos são efetuadas **imediatamente**. Por exemplo:

- Substituições de novas versões específicas de medicamentos. Podemos remover imediatamente os medicamentos da Lista de Medicamentos se os substituirmos por novas versões específicas desses medicamentos, mas o custo dos novos medicamentos permanecerá de \$0. Quando adicionamos uma nova versão de um medicamento, também podemos decidir manter o medicamento de marca ou o produto biológico original na lista, mas alterar as suas disposições ou limites de cobertura.
 - Poderá não ser informado antes de fazermos esta alteração, mas iremos enviar-lhe informações sobre a alteração específica que fizemos assim que ela for efetuada.
 - Só podemos fazer estas alterações se o medicamento que estamos a adicionar:
 - for uma nova versão genérica de um medicamento de marca; ou
 - for uma nova versão biossimilar específica de produtos biológicos originais da Lista de Medicamentos (por exemplo, adicionar um produto biossimilar compatível que pode ser substituído por um produto biológico original sem uma nova receita médica).
 - Alguns destes tipos de medicamentos podem ser novidade para si. Para obter mais informações, consulte a Secção B14.
- O membro ou o seu prestador podem pedir uma exceção a estas alterações. Enviar-lhe-emos um aviso com os passos que pode seguir para pedir uma exceção. Consulte as perguntas B10-B12 para obter mais informações sobre exceções.
- Um medicamento é retirado do mercado. Se a Food and Drug Administration (FDA) indicar que um medicamento que está a tomar não é seguro ou eficaz ou se o fabricante do medicamento retirar um medicamento do mercado, podemos retirá-lo imediatamente da Lista de Medicamentos. Se estiver a tomar o medicamento, enviar-lhe-emos um aviso para substituir o medicamento retirado do mercado; contacte o seu prestador de serviços de saúde. O seu prestador irá emitir uma receita para um novo medicamento, para substituir o medicamento retirado do mercado.

Podemos fazer outras alterações que afetam os medicamentos que toma. Iremos informá-lo com antecedência sobre outras alterações à Lista de Medicamentos. Estas alterações podem acontecer se:

- a FDA fornecer uma nova orientação ou houver novas diretrizes clínicas sobre um medicamento;

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

- removermos um medicamento de marca da *Lista de Medicamentos* quando adicionamos um medicamento genérico que não é novo no mercado; ou
- removermos um produto biológico original ao adicionar um biossimilar; ou
- alterarmos as disposições ou limites de cobertura para o medicamento de marca.

Quando estas alterações acontecerem, iremos:

- informá-lo pelo menos 30 dias antes de fazermos a alteração da Lista de Medicamentos; **ou**
- informá-lo e atribuir-lhe um abastecimento de 31 dias do medicamento depois de solicitar um reabastecimento.

Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir:

- se há um medicamento semelhante na Lista de Medicamentos que pode tomar em substituição; **ou**
- se deve pedir uma exceção a estas alterações. Para saber mais sobre exceções, consulte as perguntas B10-B12.

B4. Existem restrições ou limites na cobertura de medicamentos ou quaisquer medidas necessárias a adotar para obter certos medicamentos?

Sim, alguns medicamentos têm disposições de cobertura ou limites em termos da quantidade que pode obter. Em alguns casos, o membro ou o seu médico ou outro profissional de saúde devem fazer algo antes de poder obter o medicamento. Por exemplo:

- **Autorização prévia (PA):** para alguns medicamentos, o membro ou o seu médico ou outro profissional de saúde devem obter autorização do CCA Senior Care Options antes de aviar a receita. A autorização prévia é diferente de uma indicação. O CCA Senior Care Options pode não abranger o medicamento se não obtiver autorização prévia.
- **Limites de quantidade:** por vezes, o CCA Senior Care Options limita a quantidade que pode obter de um medicamento.
- **Terapia por etapas:** por vezes, o CCA Senior Care Options exige que se submeta a terapia por etapas. Isto significa que terá de tomar medicamentos numa determinada ordem para a sua patologia. Poderá ter de experimentar um medicamento antes de abrangermos outro medicamento. Se o seu profissional de saúde considerar que o primeiro medicamento não funciona para o seu caso, então vamos abranger o segundo.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

- **Cobertura baseada em indicações:** se o CCA Senior Care Options abranger um medicamento apenas para algumas patologias, identificamo-lo claramente na Lista de Medicamentos, juntamente com as patologias específicas que estão abrangidas. É necessária autorização prévia para consumíveis para teste da diabetes não preferenciais (monitorização da glicose e tiras-teste).

Pode verificar se o seu medicamento tem algum requisito adicional ou limite consultando os quadros da secção C1. Também pode obter mais informações visitando o nosso website em ccama.org. Publicamos documentos online que explicam as nossas restrições em termos de autorização prévia e terapia por etapas. Também pode pedir para lhe enviarmos uma cópia.

Pode pedir uma exceção para estes limites. Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir se existe um medicamento semelhante na Lista de Medicamentos que pode tomar ou se deve pedir uma exceção. Consulte as perguntas B10-B12 para obter mais informações sobre exceções.

B5. Como saberei se o medicamento que pretendo tem limites ou se há medidas necessárias a adotar para obter o medicamento?

O quadro da Lista de Medicamentos por Patologia tem uma coluna com a designação “Ações necessárias, restrições ou limites de utilização”.

B6. O que acontece se o CCA Senior Care Options alterar as suas disposições sobre como são abrangidos alguns medicamentos (por exemplo, restrições de autorização prévia, limites de quantidade e/ou de terapia por etapas)?

Em alguns casos, será informado com antecedência se adicionarmos ou alterarmos as restrições de autorização prévia, os limites de quantidade e/ou as restrições de terapia por etapas de um medicamento. Consulte a pergunta B3 para obter mais informações sobre este aviso prévio e situações em que podemos não ser capazes de o informar com antecedência sobre quando há alteração das nossas disposições sobre os medicamentos da Lista de Medicamentos.

B7. Como posso encontrar um medicamento na Lista de Medicamentos?

Há duas formas de encontrar um medicamento:

- pode pesquisar alfabeticamente; **ou**
- pode pesquisar por patologia ou tipo de medicamento.

Para pesquisar **alfabeticamente**, procure o medicamento na secção do Índice de Medicamentos Abrangidos. Encontra-se na secção D. O Índice de Medicamentos Abrangidos é uma lista alfabética de todos os medicamentos incluídos na Lista de Medicamentos. No índice estão listados medicamentos de marca, medicamentos genéricos e também medicamentos de venda livre (OTC).

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

Para pesquisar **por patologia**, localize a secção C1 com a designação “Lista de Medicamentos por Patologia”. Os medicamentos nesta secção estão agrupados por categorias, em função dos tipos de patologias para os quais são utilizados. Por exemplo, se tiver um problema cardíaco, deve procurar em Agentes cardiovasculares. É aqui que se encontram os medicamentos para tratamento de problemas cardíacos.

B8. E se o medicamento que pretendo tomar não constar na Lista de Medicamentos?

Se não encontrar o seu medicamento na Lista de Medicamentos, contacte os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana, e pergunte sobre o medicamento. Se verificar que o CCA Senior Care Options não irá abranger o medicamento, pode optar por uma destas opções:

- Pedir aos Serviços para Membros uma lista de medicamentos semelhantes ao medicamento que pretende tomar. Em seguida, apresenta a lista ao seu médico ou outro profissional de saúde. Estes podem prescrever um medicamento da Lista de Medicamentos semelhante ao medicamento que pretende tomar. **Ou**
- Pode pedir ao CCA Senior Care Options para abrir uma exceção para abranger o seu medicamento. Consulte as perguntas B10-B12 para obter mais informações sobre exceções.

B9. E se eu for um novo membro do CCA Senior Care Options e não conseguir encontrar o meu medicamento na Lista de Medicamentos ou tiver dificuldades para obter o meu medicamento?

Podemos ajudar. Poderemos abranger um abastecimento temporário de 31 dias do seu medicamento durante os primeiros 90 dias de membro do CCA Senior Care Options. Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir se existe um medicamento semelhante na Lista de Medicamentos que pode tomar ou se deve pedir uma exceção.

Se a sua receita médica indicar um número de dias inferior, permitiremos que a mesma seja aviada várias vezes até um máximo de 31 dias de medicação.

Iremos abranger um abastecimento de 31 dias do seu medicamento se:

- estiver a tomar um medicamento que não está na nossa Lista de Medicamentos; **ou**
- as disposições do nosso plano não permitirem que obtenha a quantidade prescrita pelo seu profissional de saúde; **ou**
- o medicamento requerer autorização prévia do CCA Senior Care Options; **ou**
- estiver a tomar um medicamento que integra uma restrição de terapia por etapas.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

Se estiver a tomar um medicamento que o CCA Senior Care Options não considera ser um medicamento da Parte D, tem o direito de obter um abastecimento único de 72 horas do medicamento.

Caso se encontre num lar ou outra unidade de cuidados continuados e precisar de um medicamento que não se encontra na Lista de Medicamentos ou se não conseguir obter facilmente o medicamento de que precisa, nós podemos ajudar. Se estiver inscrito no plano há mais de 90 dias, residir num centro de cuidados continuados e necessitar de um abastecimento imediato:

- iremos abranger um abastecimento de 31 dias do medicamento de que necessita (a não ser que a sua receita indique um número de dias inferior), independentemente de ser ou não um novo membro do CCA Senior Care Options;
- este é complementar ao abastecimento temporário durante os primeiros 90 dias de membro do CCA Senior Care Options.

Iremos fornecer um abastecimento de emergência de pelo menos 31 dias (a menos que a receita médica indique um número de dias inferior) para todos os medicamentos não abrangidos, incluindo os que possam ter requisitos de terapia por etapas ou de autorização prévia para uma alteração não planeada de nível de cuidados. Um nível não planeado de cuidados de transição pode ser qualquer um dos seguintes:

- internamento ou alta num centro de cuidados continuados;
- internamento ou alta hospitalar, ou
- uma alteração do nível do centro de enfermagem especializado.

B10. Posso pedir uma exceção para abranger o meu medicamento?

Sim. Pode pedir ao CCA Senior Care Options para abrir uma exceção para abranger um medicamento que não está na Lista de Medicamentos.

Também pode pedir-nos para alterarmos as disposições para o seu medicamento.

- Por exemplo, o CCA Senior Care Options pode limitar a quantidade de um medicamento que iremos abranger. Se o seu medicamento tiver um limite, pode pedir-nos para alterar o limite e abranger mais.
- Outros exemplos: Pode pedir-nos a redução das restrições de terapia por etapas ou dos requisitos de autorização prévia.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B11. Como posso pedir para abrir uma exceção?

Para pedir uma exceção, contacte os Serviços para Membros. Um representante dos Serviços para Membros irá trabalhar consigo e o seu prestador para ajudar a solicitar uma exceção. Também pode consultar o Capítulo 8, Secção 7, da **Prova de Cobertura** para obter mais informações sobre as exceções.

B12. Quanto tempo demora para obter uma exceção?

Depois de recebermos uma declaração do seu profissional de saúde a apoiar o seu pedido de exceção, vamos apresentar-lhe uma decisão no prazo de 72 horas.

O pedido de exceção pode ser apresentado pelo membro, pelo profissional de saúde do membro e/ou representante nomeado (com autorização por escrito) preenchendo o formulário Prescription Drug Coverage Determination Request (Pedido de Determinação de Cobertura de Medicamentos Sujeitos a Receita Médica) disponível no nosso website em ccama.org. O formulário pode ser enviado por correio ou fax:

CVS Caremark Part D Appeals and Exceptions
PO Box 52000, MC109
Phoenix, AZ 85072-2000
Fax: 855-633-7673

Se o membro ou o seu profissional de saúde considerar que a sua saúde pode ser prejudicada se tiver de esperar 72 horas por uma decisão, pode solicitar uma exceção rápida. Esta é uma decisão mais rápida. Se o seu profissional de saúde apoiar o seu pedido, receberá uma decisão no prazo de 24 horas após recebermos a declaração do seu profissional de saúde a apoiar o pedido.

B13. O que são medicamentos genéricos?

Os medicamentos genéricos são constituídos pelos mesmos ingredientes ativos dos medicamentos de marca. Normalmente custam menos do que o medicamento de marca e geralmente funcionam igualmente bem. Geralmente não têm nomes muito conhecidos. Os medicamentos genéricos são aprovados pela Food and Drug Administration (FDA). Estão disponíveis medicamentos genéricos para vários medicamentos de marca. Os medicamentos genéricos geralmente podem ser substituídos por medicamentos de marca na farmácia sem uma nova receita—dependendo das leis do estado.

O CCA Senior Care Options abrange medicamentos de marca e medicamentos genéricos.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B14. O que são produtos biológicos originais e qual a relação destes com produtos biossimilares?

Quando nos referimos a medicamentos, isto pode significar um medicamento ou um produto biológico. Os produtos biológicos são medicamentos mais complexos do que os medicamentos típicos. Como os produtos biológicos são mais complexos do que os medicamentos típicos, em vez de terem uma forma genérica, têm alternativas que se designam biossimilares. Geralmente, os biossimilares funcionam tão bem como o produto biológico original e podem ter um custo inferior. Existem alternativas biossimilares para alguns produtos biológicos originais. Alguns biossimilares são biossimilares compatíveis e, dependendo das leis do estado, podem ser substituídos pelo produto biológico original na farmácia sem ser necessária uma nova receita, assim como os medicamentos genéricos podem ser substituídos por medicamentos de marca.

Para obter mais informações sobre os tipos de medicamentos, consulte o Capítulo 5 da Prova de Cobertura.

B15. O que são medicamentos OTC?

OTC significa “de venda livre”. O CCA Senior Care Options abrange alguns medicamentos OTC quando estes são receitados pelo seu prestador.

Pode consultar a Lista de Medicamentos do MassHealth (Medicaid) para saber que medicamentos OTC são abrangidos.

B16. O CCA Senior Care Options abrange produtos OTC não medicamentosos?

O CCA Senior Care Options abrange alguns produtos OTC não medicamentosos quando estes são receitados pelo seu prestador.

Exemplos de produtos OTC não medicamentosos incluem gazes e pensos, compressas com álcool e determinadas agulhas/seringas.

Pode consultar a Lista de Medicamentos do CCA Senior Care Options para saber que produtos OTC não medicamentosos são abrangidos.

B17. O CCA Senior Care Options abrange abastecimentos de longa duração de receitas?

- **Programas de encomenda postal.** Oferecemos um programa de encomenda postal que permite obter um abastecimento de até *100 dias* dos seus medicamentos sujeitos a receita médica enviado diretamente para a sua casa. Os medicamentos por encomenda postal estão isentos de copagamento.
- **Programas para 100 Dias em Farmácias de Retalho.** Algumas farmácias de retalho também podem oferecer um abastecimento de até *100 dias* de medicamentos sujeitos a receita médica abrangidos. As receitas de farmácias de retalho estão isentas de copagamento.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações,** visite ccama.org.

B18. Posso receber entregas de receitas em minha casa a partir da farmácia local?

A sua farmácia local pode ser capaz de entregar a sua receita em sua casa. Pode contactar a farmácia local para saber se oferecem entregas ao domicílio.

B19. Qual é o meu copagamento?

Os membros do CCA Senior Care Options estão isentos de copagamento para medicamentos sujeitos a receita médica, medicamentos OTC e produtos não medicamentosos desde que respeitem as regras do plano. Consulte as perguntas B14 e B15 para obter mais informações sobre medicamentos OTC e produtos não medicamentosos.

C. Visão geral da *Lista de Medicamentos Abrangidos*

A Lista de Medicamentos Abrangidos contém informações sobre os medicamentos abrangidos pelo CCA Senior Care Options. Se tiver problemas em encontrar o seu medicamento na lista, consulte o Índice de Medicamentos Abrangidos que começa na secção D. O índice lista alfabeticamente todos os medicamentos abrangidos pelo CCA Senior Care Options.

C1. Lista de Medicamentos por Patologia

Os medicamentos nesta secção estão agrupados por categorias, em função dos tipos de patologias para os quais são utilizados. Por exemplo, se tiver um problema cardíaco, deve procurar na categoria Agentes cardiovasculares. É aqui que se encontram os medicamentos para tratamento de problemas cardíacos.

Significados dos códigos usados na coluna “Ações necessárias, restrições ou limites de utilização”:

(g) = Apenas está abrangida a versão genérica deste medicamento. A versão de marca não está abrangida.

M = A versão de marca deste medicamento está no Nível 3. A versão genérica está no Nível 1.

EA = Cada

GM = Gramas

ML = Mililitros

NDS = Abastecimento Diário Não Prolongado. Poderá receber mais de 1 mês de abastecimento da maioria dos medicamentos no seu Formulário através de encomenda de retalho ou postal. Os medicamentos com a indicação “NDS” estão limitados a 1 mês de abastecimento para encomenda de retalho e postal.

PA = Aprovação prévia (ou autorização prévia). Para alguns medicamentos, o membro ou o seu médico ou outro profissional de saúde devem obter aprovação do CCA Senior Care Options antes de aviar a receita. Se não receber aprovação, o CCA Senior Care Options poderá não abranger o medicamento.

B/D = Restrição de Autorização Prévia para Determinação de Parte B ou Parte D: este medicamento pode ser elegível para pagamento ao abrigo da Parte B do Medicare ou da Parte D do Medicare. O membro ou o seu prestador de serviços de saúde têm de obter uma autorização prévia do CCA Senior Care Options para determinar que este medicamento está abrangido pela Parte D do Medicare antes de aviar a receita. Sem aprovação prévia, o CCA poderá não abranger este medicamento. PA_BVD não se aplica a membros exclusivamente do Medicaid.

Se tiver dúvidas, contacte o CCA Senior Care Options através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações,** visite ccama.org.

PA_NSO = Restrição de Autorização Prévia Apenas para Novos Medicamentos. Se este é um medicamento novo para si, tem de obter (ou o seu prestador de serviços de saúde) autorização prévia do CCA Senior Care Options antes de aviar a receita para este medicamento. Sem aprovação prévia, o CCA Senior Care Options poderá não abranger este medicamento. PA_NSO não se aplica a membros exclusivamente do Medicaid.

QL = limite de quantidade. por vezes, o CCA Senior Care Options limita a quantidade que pode obter de um medicamento.

ST = Terapia por etapas. Por vezes, o CCA Senior Care Options exige que se submeta a terapia por etapas. Isto significa que terá de tomar medicamentos numa determinada ordem para as suas patologias. Poderá ter de experimentar um medicamento antes de abrangermos outro medicamento. Se o seu prestador de serviços de saúde considerar que o primeiro medicamento não funciona para o seu caso, então vamos abranger o segundo.

ST_NSO = Terapia por Etapas Apenas para Novos Medicamentos. Se este medicamento for novo para o membro, este tem de experimentar primeiro certos medicamentos para tratar a sua patologia antes de abrangermos outro medicamento para essa patologia. ST_NSO não se aplica a membros exclusivamente do Medicaid.

VAC = Vacina. Vacinas Medicare Parte D (Paga \$0).

A primeira coluna do quadro lista o nome do medicamento. Os medicamentos genéricos estão listados em minúsculas e itálico (por exemplo, *valsartan*), os medicamentos de marca estão em maiúsculas (por exemplo, MYRBETRIQ) e os medicamentos OTC e produtos não medicamentosos estão listados em maiúsculas (por exemplo, AGULHAS DE SEGURANÇA PARA INSULINA).

As informações na coluna “Ações necessárias, restrições ou limites de utilização” indicam se o CCA Senior Care Options tem alguma disposição para abranger o seu medicamento.
