B. Perguntas frequentes (FAQ)

Encontre aqui respostas para dúvidas que você tenha sobre esta *Lista de Medicamentos Cobertos* (*Lista de Medicamentos*). Você pode ler todas as perguntas frequentes para saber mais ou procurar uma pergunta e resposta.

B1. Quais medicamentos estão na *Lista de Medicamentos Cobertos*? (Chamamos a *Lista de Medicamentos Cobertos* de *Lista de Medicamentos*, para simplificar.)

Os medicamentos da *Lista de Medicamentos* que começa na **Seção C** são os medicamentos cobertos pelo CCA Senior Care Options. Os medicamentos estão disponíveis em farmácias dentro da nossa rede. Uma farmácia faz parte da nossa rede se tivermos um acordo com ela para trabalhar conosco e prestar serviços a você. Chamamos essas farmácias de “farmácias da rede”.

- O CCA Senior Care Options cobrirá todos os medicamentos clinicamente necessários incluídos na *Lista de Medicamentos* se:
 - o seu médico ou outro prescritor disser que você precisa deles para melhorar ou manter a saúde,
 - O CCA Senior Care Options concordar que o medicamento é clinicamente necessário para você, e
 - você retira o medicamento em uma farmácia da rede do CCA Senior Care Options.
- Em alguns casos, é necessário fazer algo antes de poder obter um medicamento. Consulte a pergunta B4 para mais informações.

Você também pode encontrar uma versão atualizada da lista de medicamentos que cobrimos em nosso site em ccama.org ou ligando para o Serviços ao Associado pelo número 866-610-2273 (TTY 711), das 8 am às 8 pm, 7 dias por semana.

B2. A *Lista de Medicamentos* muda alguma vez?

Sim, e o CCA Senior Care Options deve seguir as regras do Medicare e do MassHealth (Medicaid) ao fazer alterações. Podemos adicionar ou remover medicamentos da *Lista de Medicamentos* ao longo do ano.

Também podemos alterar nossas regras sobre medicamentos. Por exemplo, podemos:

- Decidir exigir ou não exigir autorização prévia para um medicamento. (Autorização prévia é a permissão do CCA Senior Care Options antes de você poder obter um medicamento.)

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org.

- Adicionar ou alterar a quantidade de um medicamento que você pode receber (chamado de limite de quantidade).
- Adicionar ou alterar restrições de terapia sequencial em um medicamento. (Terapia sequencial significa que você deve tentar primeiro um medicamento antes que outro seja coberto.)

Para mais informações sobre essas regras, consulte a pergunta B4.

Se você estiver utilizando um medicamento que foi coberto no **início** do ano, em geral não removeremos ou mudaremos a cobertura desse medicamento **durante o restante do ano**, a menos que:

- um novo medicamento mais barato chegue ao mercado e funcione tão bem quanto um medicamento da *Lista de Medicamentos* atual, **ou**
- descobramos que um medicamento não é seguro, **ou**
- um medicamento seja retirado do mercado.

As perguntas B3 e B6 abaixo trazem mais informações sobre o que acontece quando a *Lista de Medicamentos* muda.

- Você pode sempre consultar a versão atualizada da *Lista de Medicamentos* do CCA Senior Care Options online em ccama.org. As atualizações da *Lista de Medicamentos* são publicadas mensalmente no site.
- Você também pode ligar para o Serviços ao Associado no 866-610-2273 (TTY 711), das 8 am às 8 pm, 7 dias por semana, para verificar a versão mais atual da *Lista de Medicamentos*.

B3. O que acontece quando há uma alteração na *Lista de Medicamentos*?

Algumas mudanças na *Lista de Medicamentos* acontecerão **imediatamente**. Por exemplo:

- **Substituições de determinadas versões novas de medicamentos.** Podemos remover imediatamente medicamentos da *Lista de Medicamentos* se os substituirmos por determinadas novas versões desse medicamento, mas o seu custo para o novo medicamento continuará sendo \$0. Quando adicionamos uma nova versão de um medicamento, também podemos decidir manter o medicamento de marca ou o produto biológico original na lista, mas alterar suas regras ou limites de cobertura.
 - Talvez não possamos avisá-lo antes de fazermos essa alteração, mas enviaremos informações sobre a mudança específica assim que ela acontecer.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org.

- Podemos fazer essas alterações apenas se o medicamento adicionado for:
 - uma versão nova genérica de um medicamento de marca, ou
 - uma nova versão biossimilar de produtos biológicos originais da *Lista de Medicamentos* (por exemplo, adicionar um biossimilar intercambiável que pode substituir um produto biológico original sem a necessidade de uma nova prescrição).
 - Alguns desses tipos de medicamentos podem ser novos para você. Para mais informações, consulte a **Seção B14**.
- Você ou seu médico podem solicitar uma exceção a essas alterações. Enviaremos um aviso com os passos que você pode seguir para solicitar uma exceção. Consulte as perguntas B10–B12 para mais informações sobre exceções.
- **Remoção de medicamentos inseguros e outros medicamentos retirados do mercado** Às vezes, um medicamento pode ser considerado inseguro ou retirado do mercado por outro motivo. Se isso acontecer, podemos removê-lo imediatamente da *Lista de Medicamentos*. Se você estiver usando esse medicamento, enviaremos um aviso após fazermos a alteração. Se você estiver utilizando o medicamento, enviaremos um aviso para substituí-lo caso ele seja retirado do mercado. Nesse caso, entre em contato com o seu profissional de saúde. O seu médico emitirá uma nova prescrição para substituir o medicamento que foi retirado do mercado.

Podemos fazer outras alterações que afetam os medicamentos que você usa Informaremos você com antecedência sobre essas outras alterações na *Lista de Medicamentos*. Essas alterações podem acontecer se:

- A FDA emitir novas orientações ou surgirem novas diretrizes clínicas sobre um medicamento.
- Removermos um medicamento de marca da *Lista de Medicamentos* ao adicionar um genérico que seja novo no mercado, ou
- Removermos um produto biológico original ao adicionar um biossimilar, ou
- Alterarmos as regras ou limites de cobertura para o medicamento de marca.
- Adicionarmos um medicamento genérico e substituírmos um medicamento de marca atualmente na *Lista de Medicamentos*, ou
- adicionamos um novo biossimilar para substituir um produto biológico original atualmente na *Lista de Medicamentos*, ou
- Alterarmos as regras ou limites de cobertura para o medicamento de marca.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 10

Quando essas alterações acontecerem, nós:

- avisaremos você com pelo menos 30 dias de antecedência antes de fazermos a alteração na *Lista de Medicamentos*, **ou**
- informaremos você e forneceremos um suprimento de 31 dias do medicamento após você solicitar a renovação da receita.

Isso lhe dará tempo para conversar com seu médico ou outro profissional autorizado a prescrever. Eles podem ajudar você a decidir:

- se há um medicamento semelhante na Lista de Medicamentos que você pode usar em substituição, **ou**
- se deve solicitar uma exceção para essas alterações. Para saber mais sobre exceções, consulte as perguntas B10-B12.

B4. Existem restrições ou limites na cobertura de medicamentos ou alguma ação necessária para obter determinados medicamentos?

Sim, alguns medicamentos têm regras de cobertura ou limites na quantidade que você pode receber. Em alguns casos, você ou seu médico (ou outro profissional autorizado a prescrever) devem tomar alguma medida antes que você possa obter o medicamento. Por exemplo:

- **Autorização prévia:** para alguns medicamentos, é necessário obter autorização prévia do CCA Senior Care Options antes de retirar o medicamento na farmácia. Essa solicitação pode ser feita por você, pelo seu médico ou por outro profissional habilitado a prescrever. A autorização prévia é diferente de um encaminhamento. O CCA Senior Care Options pode não cobrir o medicamento se você não obtiver autorização prévia.
- **Limites de quantidade:** às vezes, o CCA Senior Care Options limita a quantidade de um medicamento que você pode receber.
- **Terapia sequencial:** às vezes, o CCA Senior Care Options exige que você siga terapia sequencial. Isso significa que você terá que usar certos medicamentos em uma ordem específica para tratar sua condição médica. Pode ser necessário iniciar o tratamento com um medicamento antes que o plano cubra outro. Se o seu médico considerar que o primeiro medicamento não funciona para você, então cobriremos o segundo.
- **Cobertura baseada em indicação:** se o CCA Senior Care Options cobrir um medicamento apenas para algumas condições médicas, indicaremos isso claramente na *Lista de Medicamentos*, junto com as condições específicas que são cobertas. É necessária autorização prévia para insumos de monitorização do diabetes não preferenciais (monitores de glicose e tiras de teste).

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 11

Você pode verificar se o seu medicamento possui requisitos ou limites adicionais consultando as tabelas na **Seção C**. Também pode obter mais informações acessando o nosso site em ccama.org. Disponibilizamos documentos online que explicam nossa política de autorização prévia e as restrições de terapia sequencial. Você também pode solicitar que enviemos uma cópia.

Você pode solicitar uma exceção a esses limites. Isso lhe dará tempo para conversar com seu médico ou outro profissional autorizado a prescrever. Eles podem ajudar você a decidir se há um medicamento semelhante na *Lista de Medicamentos* que possa ser utilizado em substituição ou se é o caso de solicitar uma exceção. Consulte as perguntas B10-B12 para obter mais informações sobre as exceções.

B5. Como saberei se o medicamento que quero tem limitações ou se existem ações necessárias para obtê-lo?

A tabela na seção intitulada “Lista de Medicamentos por Condição Médica” tem uma coluna chamada “Ações necessárias, restrições ou limites de uso”.

B6. O que acontece se a CCA Senior Care Options mudar suas regras sobre como cobre alguns medicamentos (por exemplo, autorização prévia, limites de quantidade e/ou restrições de terapia em etapas)?

Em alguns casos, informaremos você com antecedência se adicionarmos ou alterarmos exigências de autorização prévia, limites de quantidade e/ou restrições de terapia sequencial para um medicamento. Consulte a pergunta B3 para mais informações sobre este aviso prévio e as situações em que talvez não seja possível avisar com antecedência quando nossas regras sobre medicamentos da *Lista de Medicamentos* mudarem.

B7. Como posso encontrar um medicamento na *Lista de Medicamentos* ?

Existem duas maneiras de encontrar um medicamento:

- você pode pesquisar em ordem alfabética, **ou**
- você pode pesquisar por condição médica.

Para pesquisar **em ordem alfabética**, procure seu medicamento na seção Índice de Medicamentos Cobertos. Você pode encontrá-lo na Seção D. O Índice de Medicamentos Cobertos é uma lista alfabética de todos os medicamentos incluídos na *Lista de Medicamentos*. Os medicamentos de marca, genéricos e também medicamentos de venda livre (OTC) estão listados no índice.

Para pesquisar por condição médica, encontre a **Seção C** denominada “Lista de Medicamentos por Condição Médica”. Os medicamentos desta seção estão agrupados em categorias de acordo com o tipo de condição médica para a qual são usados no tratamento. Por exemplo, se você tem um problema cardíaco, você deve procurar agentes cardiovasculares. É lá que você encontrará medicamentos usados para tratar condições cardíacas.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 12

B8. E se o medicamento que desejo tomar não estiver na *Lista de Medicamentos* ?

Se você não encontrar seu medicamento na *Lista de Medicamentos*, ligue para o Serviços ao Associado pelo número 866-610-2273 (TTY 711), das 8 am às 8 pm, 7 dias por semana, e pergunte sobre ele. Se você souber que o CCA Senior Care Options não irá cobrir o medicamento, pode fazer uma destas coisas:

- Solicitar ao Serviços ao Associado uma lista de medicamentos semelhantes ao que você deseja usar. Em seguida, mostrar essa lista ao seu médico ou outro profissional de saúde habilitado para prescrever. Eles podem prescrever um medicamento da *Lista de Medicamentos* semelhante ao que você gostaria de utilizar. **Ou**
- Peça ao CCA Senior Care Options para abrir uma exceção e cobrir o seu medicamento. Consulte as perguntas B10-B12 para obter mais informações sobre as exceções.

B9. E se eu for um novo associado do CCA Senior Care Options e não encontrar meu medicamento na *Lista de Medicamentos* ou tiver problema para consegui-lo?

Nós podemos ajudar. Podemos cobrir um fornecimento temporário de 31 dias do seu medicamento durante os primeiros 90 dias em que você é associado do CCA Senior Care Options. Isso lhe dará tempo para conversar com seu médico ou outro profissional autorizado a prescrever. Eles podem ajudar você a decidir se há um medicamento semelhante na *Lista de Medicamentos* que possa ser utilizado em substituição ou se é o caso de solicitar uma exceção.

Se a sua receita for para menos dias, permitiremos múltiplas renovações até atingir, no máximo, um fornecimento de 31 dias do medicamento.

O plano cobrirá um fornecimento de 31 dias do seu medicamento se:

- você estiver utilizando um medicamento que não está na *Lista de Medicamentos*, **ou**
- as regras do plano não permitirem que você receba a quantidade solicitada pelo seu médico ou profissional de saúde habilitado para prescrever, **ou**
- o medicamento exigir autorização prévia do CCA Senior Care Options, **ou**
- você estiver utilizando um medicamento sujeito a restrição de terapia sequencial.

Se você estiver tomando um medicamento coberto que o CCA Senior Care Options não considera um medicamento da Parte D, você tem direito a um fornecimento único de 72 horas desse medicamento. Se a farmácia não conseguir cobrar o CCA Senior Care Options por esse fornecimento único, o MassHealth (Medicaid) arcará com o custo.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 13

Se você estiver em um lar de idosos ou outra instituição de cuidados de longa duração e precisar de um medicamento que não esteja na *Lista de Medicamentos* ou se não conseguir obter facilmente o medicamento de que precisa, nós podemos ajudar. Se você participa do plano há mais de 90 dias, vive em uma instituição de cuidados de longa duração e precisa de um fornecimento imediato:

- Nós cobriremos um fornecimento para 31 dias do medicamento de que você precisa (a menos que tenha uma prescrição para um número inferior de dias), independentemente de você ser ou não um novo membro do CCA Senior Care Options.
- Isso se soma ao fornecimento temporário durante os primeiros 90 dias em que você é associado do CCA Senior Care Options.

Ofereceremos um fornecimento emergencial de pelo menos 31 dias (a menos que a receita seja para menos dias) para todos os medicamentos fora da Lista de Medicamentos, incluindo aqueles que possam ter exigências de terapia sequencial ou autorização prévia, em caso de mudança não planejada no nível de cuidados. Uma mudança não planejada no nível de cuidados pode incluir qualquer uma das seguintes situações:

- alta ou admissão em uma instituição de cuidados de longa duração
- alta ou admissão em um hospital, ou
- mudança no nível de cuidados especializados em uma instituição de enfermagem.

B10. Posso solicitar uma exceção para a cobertura do meu medicamento?

Sim. Você pode solicitar ao CCA Senior Care Options para abrir uma exceção para cobrir um medicamento que não esteja na *Lista de Medicamentos*.

Você também pode solicitar que sejam alteradas as regras aplicadas ao seu medicamento.

- Por exemplo, o CCA Senior Care Options pode limitar a quantidade de um medicamento que o plano cobrirá. Se o seu medicamento tiver um limite, você pode pedir para alterarmos esse limite e cobrir uma quantidade maior.
- Outros exemplos: você pode pedir para retirarmos as exigências de terapia sequencial ou de autorização prévia.

B11. Como posso solicitar uma exceção?

Para pedir uma exceção, ligue para o *Serviços ao Associado*. Um representante do Serviços ao Associado trabalhará com você e com o seu profissional habilitado a prescrever para ajudar no pedido da exceção. Você também pode consultar o **Capítulo 9** do *Manual do Associado* para saber mais sobre as exceções.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 14

B12. Quanto tempo demora para conseguir uma exceção?

Após recebermos uma declaração do seu profissional habilitado a prescrever apoiando o seu pedido de exceção, daremos uma resposta em até 72 horas.

Um associado, o profissional habilitado a prescrever do associado e/ou um representante designado (com consentimento por escrito) podem solicitar a exceção preenchendo o formulário de disponível em nosso site em ccama.org. O formulário pode ser enviado por correio ou fax:

CVS Caremark Part D Appeals and Exceptions
PO Box 52000, MC109
Phoenix, AZ 85072-2000
Fax: 855-633-7673

Se você ou o seu profissional habilitado a prescrever acharem que sua saúde pode ser prejudicada caso precise esperar 72 horas por uma decisão, você pode solicitar uma exceção acelerada. Esta é uma decisão mais rápida. Se o seu profissional habilitado a prescrever apoiar o seu pedido, daremos uma decisão em até 24 horas após recebermos a declaração de apoio do prescritor.

B13. O que são medicamentos genéricos?

Os medicamentos genéricos são compostos pelos mesmos princípios ativos que os medicamentos de marca. Eles geralmente custam menos que os medicamentos de marca e funcionam da mesma forma. Eles geralmente não têm nomes muito conhecidos. Os medicamentos genéricos são aprovados pela Food and Drug Administration (FDA). Existem medicamentos genéricos disponíveis para muitos medicamentos de marca. Os medicamentos genéricos geralmente podem ser substituídos pelos medicamentos de marca na farmácia sem a necessidade de uma nova prescrição, dependendo das leis estaduais.

O CCA Senior Care Options cobre tanto medicamentos de marca quanto medicamentos genéricos.

B14. O que são produtos biológicos originais e como eles se relacionam com os biossimilares?

Quando nos referimos a medicamentos, isso pode significar um medicamento ou um produto biológico. Os produtos biológicos são medicamentos mais complexos do que os medicamentos comuns. Como os produtos biológicos são mais complexos do que os medicamentos comuns, em vez de terem uma forma genérica, eles têm formas chamadas biossimilares. De modo geral, os biossimilares funcionam tão bem quanto o produto biológico original e podem custar menos. Existem alternativas biossimilares para alguns produtos biológicos originais. Alguns biossimilares são biossimilares intercambiáveis e, dependendo das leis estaduais, podem ser substituídos pelo produto biológico original na farmácia sem a necessidade de uma nova prescrição, assim como os medicamentos genéricos podem ser substituídos pelos medicamentos de marca.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 15

Para mais informações sobre tipos de medicamentos, consulte o **Capítulo 5** do *Manual do Associado*.

B15. O que são medicamentos OTC?

OTC significa “over-the-counter” (medicamentos de venda livre). O CCA Senior Care Options cobre alguns medicamentos OTC quando forem prescritos pelo seu profissional habilitado a prescrever.

Você pode consultar a *Lista de Medicamentos* do MassHealth (Medicaid) para saber quais medicamentos OTC são cobertos.

B16. O CCA Senior Care Options cobre produtos OTC que não sejam medicamentos?

O CCA Senior Care Options cobre alguns produtos OTC que não são medicamentos quando forem prescritos pelo seu profissional habilitado a prescrever. Exemplos de produtos OTC que não são medicamentos incluem: gazes e curativos, swabs com álcool e determinadas agulhas/seringas.

Você pode consultar a *Lista de Medicamentos* do CCA Senior Care Options para saber quais produtos OTC que não são medicamentos são cobertos.

B17. O CCA Senior Care Options cobre fornecimento de longo prazo de medicamentos com receita?

- **Programas de venda por correspondência.** Oferecemos um programa de venda por correspondência que permite a você receber até 100 dias de fornecimento dos seus medicamentos, entregues diretamente em sua casa. Não há copagamento para medicamentos obtidos por correspondência. Os medicamentos especializados estão limitados a um fornecimento de 31 dias.
- **Programas de farmácias de varejo com fornecimento para 100 dias.** Algumas farmácias de varejo também podem oferecer até 100 dias de fornecimento de medicamentos cobertos. Não há copagamento para medicamentos adquiridos em farmácias de varejo. Os medicamentos especializados estão limitados a um fornecimento de 31 dias.

B18. Posso receber medicamentos prescritos em casa de minha farmácia local?

A sua farmácia local pode entregar suas prescrições diretamente em sua casa. Você pode ligar para a farmácia para descobrir se eles oferecem entrega a domicílio.

B19. Qual é o meu copagamento?

Os associados do CCA Senior Care Options não têm copagamento para medicamentos prescritos, medicamentos OTC e produtos que não são medicamentos, desde que sigam as regras do plano. Consulte as perguntas B15 e B16 para mais informações sobre medicamentos OTC e produtos que não sejam medicamentos.

Os níveis são grupos de medicamentos dentro da *Lista de Medicamentos*.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 16

Todos os medicamentos da Lista de Medicamentos do plano estão no nível 1. Você não tem copagamento para medicamentos prescritos e medicamentos OTC que constam na Lista de Medicamentos do CCA Senior Care Options. Para localizar seus medicamentos, consulte a Lista de Medicamentos.

O nível 1 inclui tanto medicamentos da parte D quanto medicamentos não cobertos pelo Medicare, e/ou medicamentos OTC não cobertos pelo Medicare.

Se tiver dúvidas, ligue para o Serviços ao Associado no telefone 866-610-2273 (TTY 711), das 8 am às 8 pm, 7 dias por semana.

C. Visão geral da Lista de Medicamentos Cobertos

A *Lista de Medicamentos Cobertos* fornece informações sobre os medicamentos cobertos pelo CCA Senior Care Options. Se tiver dificuldade em encontrar seu medicamento na lista, consulte o Índice de Medicamentos Cobertos, que começa na **Seção D**. Esse índice apresenta, em ordem alfabética, todos os medicamentos cobertos pelo CCA Senior Care Options. Para itens que não são da Parte D ou itens OTC cobertos pelo MassHealth (Medicaid), os planos devem colocar um asterisco (*) ou outro símbolo ao lado do medicamento para indicar que o associado pode precisar seguir um processo diferente de recursos, e incluir o seguinte texto.

Observação: O asterisco (*) ao lado de um medicamento significa que ele não é um “medicamento da Parte D”. Esses medicamentos têm regras diferentes para recursos.

- Um recurso é a forma oficial de pedir que revisemos uma decisão tomada sobre a sua cobertura e de solicitar alteração caso você ache que houve um erro.
- Por exemplo, podemos decidir que um medicamento que você deseja não é coberto ou deixou de ser coberto pelo Medicare ou pelo MassHealth (Medicaid).
- Se você ou o seu profissional habilitado a prescrever discordarem da nossa decisão, é possível apresentar um recurso. Se tiver alguma dúvida, ligue para o Serviços ao Associado no número 866-610-2273 (TTY 711), das 8 am às 8 pm, 7 dias por semana, ou utilize os números indicados no rodapé deste documento.
- Você também pode consultar o **Capítulo 9** do Manual do Associado para saber como apresentar um recurso.

C1. Lista de Medicamentos por Condição Médica

Os medicamentos desta seção estão agrupados em categorias de acordo com o tipo de condição médica para a qual são usados no tratamento. Por exemplo, se você tiver uma condição cardíaca, deve procurar na categoria agentes cardiovasculares. É lá que você encontrará medicamentos usados para tratar condições cardíacas.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 17

Aqui estão os significados dos códigos usados na coluna “Ações necessárias, restrições ou limites de uso”:

NDS = Fornecimento não estendido. Você pode ter direito a receber mais do que o fornecimento de 1 mês da maioria dos medicamentos incluídos na sua *Lista de Medicamentos* por meio de farmácia de varejo ou de correspondência. Os medicamentos marcados com “NDS” são limitados a um suprimento de 1 mês para varejo e venda pelo correio.

PA = Aprovação prévia (ou Autorização prévia). Para alguns medicamentos, você, seu médico ou outro profissional de saúde autorizado a prescrever devem obter autorização prévia do CCA Senior Care Options antes de retirar o medicamento na farmácia. Se a autorização prévia não for obtida, o CCA Senior Care Options pode não cobrir o medicamento.

B/D = Restrição de autorização prévia para determinação entre Medicare Parte B e Parte D. Este medicamento pode ser elegível para cobertura pelo Medicare Parte B ou Medicare Parte D. Você ou o seu profissional habilitado a prescrever devem obter uma autorização prévia do CCA Senior Care Options para determinar se esse medicamento será coberto pelo Medicare Parte D antes de preencher a sua receita. Sem autorização prévia, o CCA pode não cobrir esse medicamento. PA_BVD não se aplica a associados somente do Medicaid.

QL= Limite de quantidade. às vezes, o CCA Senior Care Options limita a quantidade de um medicamento que você pode receber.

ST = Terapia sequencial. às vezes, o CCA Senior Care Options exige que você siga terapia sequencial. Isso significa que você terá de usar medicamentos em uma ordem específica para tratar suas condições médicas. Pode ser necessário tentar primeiro um medicamento antes que o plano cubra outro. Se o seu médico ou outro profissional de saúde autorizado a prescrever entender que o primeiro medicamento não funciona para você, o plano cobrirá o segundo.

Asterisco (*) = indica medicamentos que não são da Parte D.

A primeira coluna da tabela apresenta o nome do medicamento. Os medicamentos genéricos são listados em itálico e em letras minúsculas (por exemplo, *valsartan*). Já os medicamentos de marca são listados em letras maiúsculas (por exemplo, MYRBETRIQ). As informações na coluna “Ações necessárias, restrições ou limites de uso” informam se o CCA Senior Care Options tem alguma regra de cobertura para o seu medicamento.

Se você tiver dúvidas, ligue para o CCA Senior Care Options no número 866-610-2273 (TTY 711), de 8 am às 8 pm, 7 dias por semana. A ligação é gratuita. **Para mais informações**, visite ccama.org. 18
