CCA One Care (Medicare-Medicaid Plan) | Lista de Medicamentos Abrangidos 2025 (Lista de Medicamentos ou Formulário)

Introdução

Este documento designa-se *Lista de Medicamentos Abrangidos* (também conhecida como Lista de Medicamentos). Informa-o sobre os medicamentos sujeitos a receita médica e produtos não medicamentosos que são abrangidos pelo CCA One Care. A *Lista de Medicamentos* indica também se existem disposições ou restrições especiais relativas a quaisquer medicamentos abrangidos pelo CCA One Care. Os principais termos e as suas definições aparecem no último capítulo do *Manual do Membro*.

B. Perguntas mais frequentes (FAQ)

Encontre aqui respostas para as perguntas que tenha sobre a Lista de Medicamentos Abrangidos. Pode consultar todas as FAQ para obter mais informações ou procurar uma pergunta e a resposta.

B1. Que medicamentos sujeitos a receita médica estão na *Lista de Medicamentos Abrangidos*? (Para abreviar, a *Lista de Medicamentos Abrangidos* é designada como “*Lista de Medicamentos*”).

Os medicamentos da *Lista de Medicamentos Abrangidos* na secção D são os medicamentos abrangidos pelo CCA One Care. Estes medicamentos estão disponíveis nas farmácias pertencentes à nossa rede. Uma farmácia pertence à nossa rede se tivermos um acordo com a mesma para trabalhar connosco e prestar-lhe serviços. Referimo-nos a estas farmácias como “farmácias da rede”.

- O CCA One Care abrange todos os medicamentos da Lista de Medicamentos se:
 - o seu médico ou outro profissional de saúde indicar que precisa deles para melhorar ou manter-se saudável;
 - o CCA One Care concordar que o medicamento é clinicamente necessário para o seu caso; e
 - aviar a receita médica numa farmácia da rede do CCA One Care.
- Em alguns casos, tem de fazer algo antes de obter um medicamento (consulte a pergunta B4 abaixo).

Também pode consultar uma lista atualizada de medicamentos que abrangemos no nosso website em ccama.org ou contactar os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana.

B2. A Lista de Medicamentos pode sofrer alterações?

Sim, e o CCA One Care tem de seguir as disposições do Medicare e do MassHealth ao fazer alterações. Podemos adicionar ou remover medicamentos da Lista de Medicamentos ao longo do ano.

Também podemos alterar as nossas disposições sobre os medicamentos. Por exemplo, podemos:

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

- Decidir exigir ou não exigir aprovação prévia (PA) para um medicamento. (PA é a permissão do CCA One Care antes de poder obter um medicamento.)
- Aumentar ou alterar a quantidade de um medicamento que pode obter (os chamados limites de quantidade).
- Adicionar ou alterar restrições da terapia por etapas para um medicamento. (Terapia por etapas significa que tem de experimentar um medicamento antes de abrangermos outro medicamento.)

Para obter mais informações sobre estas disposições de medicamentos, consulte a pergunta B4.

Se estiver a tomar um medicamento que se encontrava abrangido no **início** do ano, geralmente não removemos nem alteramos a cobertura desse medicamento **durante o resto do ano**, exceto se:

- surgir no mercado um medicamento novo e mais barato que produza o mesmo resultado de um medicamento que se encontra na *Lista de Medicamentos*; **ou**
- constatarmos que o medicamento não é seguro; **ou**
- um medicamento for retirado do mercado.

As perguntas B3 e B6 abaixo têm mais informações sobre o que acontece quando a *Lista de Medicamentos* é alterada.

- Pode sempre consultar a *Lista de Medicamentos* do CCA One Care atualizada online em ccama.org.
- As atualizações da Lista de Medicamentos são publicadas mensalmente no website.
- Também pode contactar os Serviços para Membros para verificar a Lista de Medicamentos atualizada através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana.

B3. O que acontece quando há uma alteração na *Lista de Medicamentos*?

Algumas alterações da Lista de Medicamentos são efetuadas **imediatamente**.

Por exemplo:

- **Substituições por novas versões de medicamentos.** Podemos remover imediatamente os medicamentos da Lista de Medicamentos se os substituirmos por versões específicas desses medicamentos, mas o custo dos novos medicamentos permanecerá igual.

Quando adicionamos uma nova versão de um medicamento, também podemos decidir manter o medicamento de marca ou o produto biológico original na lista, mas alterar as suas disposições ou limites de cobertura.

- Poderá não ser informado antes de fazermos esta alteração, mas iremos enviar-lhe informações sobre a alteração específica que fizemos assim que ela for efetuada.
 - Só podemos fazer estas alterações se o medicamento que estamos a adicionar:
 - for uma nova versão genérica de um medicamento de marca; ou
 - for uma nova versão biossimilar específica de produtos biológicos originais da Lista de Medicamentos (por exemplo, adicionar um produto biossimilar compatível que pode ser substituído por um produto biológico original sem uma nova receita médica).
 - Alguns destes tipos de medicamentos podem ser novidade para si. Para obter mais informações, consulte a Secção B14.
 - O membro ou o seu prestador podem pedir uma exceção a estas alterações. Enviar-lhe-emos um aviso com os passos que pode seguir para pedir uma exceção. Consulte a pergunta B10 para obter mais informações sobre exceções.
- **Um medicamento é retirado do mercado.** Se a Food and Drug Administration (FDA) indicar que um medicamento que está a tomar não é seguro ou eficaz ou se o fabricante do medicamento retirar um medicamento do mercado, podemos retirá-lo imediatamente da Lista de Medicamentos. Se estiver a tomar o medicamento, enviar-lhe-emos um aviso depois de efetuarmos a alteração. O seu prestador irá emitir uma receita para um novo medicamento, para substituir o medicamento retirado do mercado.

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

Podemos fazer outras alterações que afetam os medicamentos que toma. Iremos informá-lo com antecedência sobre outras alterações à *Lista de Medicamentos*. Estas alterações podem acontecer se:

- a FDA fornecer uma nova orientação ou houver novas diretrizes clínicas sobre um medicamento;
- removermos um medicamento de marca da *Lista de Medicamentos* quando adicionamos um medicamento genérico que não é novo no mercado; ou
- removermos um produto biológico original ao adicionar um biossimilar; ou
- alterarmos as disposições ou limites de cobertura para o medicamento de marca.
- Quando estas alterações acontecerem, iremos:
 - informá-lo pelo menos 30 dias antes de fazermos a alteração da Lista de Medicamentos; **ou**
 - informá-lo e atribuir-lhe um abastecimento de 31 dias do medicamento depois de solicitar um reabastecimento.

Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir:

- se há um medicamento semelhante na *Lista de Medicamentos* que pode tomar em substituição; **ou**
- se deve pedir uma exceção a estas alterações. Consulte a pergunta B10 para obter mais informações sobre as exceções.

B4. Existem restrições ou limites na cobertura de medicamentos ou quaisquer medidas necessárias a adotar para obter certos medicamentos?

Sim, alguns medicamentos têm disposições de cobertura ou limites em termos da quantidade que pode obter. Em alguns casos, o membro ou o seu médico ou outro profissional de saúde devem fazer algo antes de poder obter o medicamento. Por exemplo:

- **Autorização prévia (PA) ou aprovação:** para alguns medicamentos, o membro ou o seu médico ou outro profissional de saúde devem obter a PA do CCA One Care antes de aviar a receita. O CCA One Care poderá não abranger o medicamento se não receber a aprovação.
- **Limites de quantidade:** por vezes, o CCA One Care limita a quantidade que pode obter de um medicamento.
- **Terapia por etapas:** por vezes, o CCA One Care exige que se submeta a terapia por etapas. Isto significa que terá de tomar medicamentos numa

determinada ordem para a sua patologia. Poderá ter de experimentar um medicamento antes de abrangermos outro medicamento. Se o seu prestador considerar que o primeiro medicamento não funciona para o seu caso, então vamos abranger o segundo.

- **Cobertura baseada em indicações:** se o CCA One Care abranger um medicamento apenas para algumas patologias, identificamo-lo claramente na Lista de Medicamentos, juntamente com as patologias específicas que estão abrangidas.

Pode verificar se o seu medicamento tem algum requisito adicional ou limite consultando os quadros a partir da secção C1. Também pode obter mais informações visitando o nosso website em ccama.org. Publicamos documentos online que explicam a nossa restrição em termos de PA e as restrições da terapia por etapas. Também pode pedir para lhe enviarmos uma cópia.

Pode pedir uma exceção para estes limites. Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir se existe um medicamento semelhante na Lista de Medicamentos que pode tomar ou se deve pedir uma exceção. Consulte as perguntas B10-B12 para obter mais informações sobre as exceções.

B5. Como saberei se o medicamento que pretendo tem limites ou se há medidas necessárias a adotar para obter o medicamento?

O quadro de medicamentos na secção C1 tem uma coluna com a designação “Ações necessárias, restrições ou limites de utilização”.

B6. O que acontece se o CCA One Care alterar as suas disposições sobre alguns medicamentos (por exemplo, autorização prévia (PA) ou aprovação, limites de quantidade e/ou restrições de terapia por etapas)?

Em alguns casos, será informado com antecedência se adicionarmos ou alterarmos as restrições de PA, os limites de quantidade e/ou as restrições de terapia por etapas de um medicamento. Consulte a pergunta B3 para obter mais informações sobre este aviso prévio e situações em que podemos não ser capazes de o informar com antecedência sobre quando há alteração das nossas disposições sobre os medicamentos da *Lista de Medicamentos*.

B7. Como posso encontrar um medicamento na Lista de Medicamentos?

Há duas formas de encontrar um medicamento:

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

- pode pesquisar alfabeticamente pelo nome do medicamento; **ou**
- pode pesquisar por patologia.

Para pesquisar **alfabeticamente**, procure o medicamento na secção do Índice de Medicamentos Abrangidos. Esta encontra-se na secção D. No Índice estão listados os medicamentos de marca e os medicamentos genéricos. Ao lado do medicamento pode ver o número da secção onde pode encontrar informações de cobertura. Vá para a secção indicada no Índice e encontre o nome do seu medicamento na primeira coluna da lista.

Para pesquisar **por patologia**, localize a secção com a designação “Medicamentos Agrupados por Patologia” na secção C1. Os medicamentos nesta secção estão agrupados por categorias, em função dos tipos de patologias para os quais são utilizados. Por exemplo, se tiver um problema cardíaco, deve procurar na categoria: Agentes cardiovasculares. É aqui que se encontram os medicamentos para tratamento de problemas cardíacos.

B8. E se o medicamento que pretendo tomar não constar na Lista de Medicamentos?

Se não encontrar o seu medicamento na *Lista de Medicamentos*, contacte os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana, e solicite o medicamento. Se verificar que o CCA One Care não irá abranger o medicamento, pode optar por uma destas opções:

- Pedir aos Serviços para Membros uma lista de medicamentos semelhantes ao medicamento que pretende tomar. Em seguida, apresenta a lista ao seu médico ou outro profissional de saúde. Estes podem prescrever um medicamento da *Lista de Medicamentos* semelhante ao medicamento que pretende tomar. **Ou**
- Pode pedir ao plano de saúde para abrir uma exceção para abranger o seu medicamento. Consulte as perguntas B10-B12 para obter mais informações sobre as exceções.

B9. E se eu for um novo membro do CCA One Care e não conseguir encontrar o meu medicamento na Lista de Medicamentos ou tiver dificuldades para obter o meu medicamento?

Podemos ajudar. Poderemos abranger um abastecimento temporário de 31 dias do seu medicamento durante os primeiros 90 dias de membro do CCA One Care. Desta forma terá tempo para falar com o seu médico ou outro profissional de saúde. Estes podem ajudá-lo a decidir se existe um medicamento semelhante na Lista de Medicamentos que pode tomar ou se deve pedir uma exceção.

Se a sua receita médica indicar um número de dias inferior, permitiremos que a mesma seja aviada várias vezes até um máximo de 31 dias de medicação.

Iremos abranger um abastecimento de 31 dias do seu medicamento se:

- estiver a tomar um medicamento que não está na nossa Lista de Medicamentos; **ou**
- as disposições do plano de saúde não permitirem que obtenha a quantidade prescrita pelo seu profissional de saúde; **ou**
- o medicamento requerer PA do CCA One Care; **ou**
- estiver a tomar um medicamento que integra uma restrição de terapia por etapas.

Se estiver a tomar um medicamento que o CCA One Care não considera ser um medicamento da Parte D, tem o direito de obter um abastecimento único de 72 horas do medicamento. Pode obter informações sobre como conseguir um abastecimento temporário de um medicamento no Capítulo 5 do *Manual do Membro*.

Caso se encontre num lar ou outra unidade de cuidados continuados e precisar de um medicamento que não se encontra na *Lista de Medicamentos* ou se não conseguir obter facilmente o medicamento de que precisa, nós podemos ajudar. Se estiver inscrito no plano há mais de 90 dias, residir num centro de cuidados continuados e necessitar de um abastecimento imediato:

- iremos abranger um abastecimento de 31 dias do medicamento de que necessita (a não ser que a sua receita indique um número de dias inferior), independentemente de ser ou não um novo membro do CCA One Care;
- este é complementar ao abastecimento temporário durante os primeiros 90 dias de membro do CCA One Care.

Para as pessoas atualmente inscritas com alterações nos níveis de cuidados, iremos fornecer um abastecimento de emergência de pelo menos 31 dias (a menos que a receita médica indique um número de dias inferior) para todos os medicamentos não abrangidos, incluindo os que possam ter requisitos de terapia por etapas ou de autorização prévia. Um nível não planeado de cuidados de transição pode ser qualquer um dos seguintes:

- internamento ou alta num centro de cuidados continuados;
- internamento ou alta hospitalar, ou
- uma alteração do nível do centro de enfermagem especializado

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B10. Posso pedir uma exceção para abranger o meu medicamento?

Sim. Pode pedir ao CCA One Care para abrir uma exceção para abranger um medicamento que não está Lista de Medicamentos.

Também pode pedir-nos para alterarmos as disposições para o seu medicamento.

- Por exemplo, o CCA One Care pode limitar a quantidade de um medicamento que iremos abranger. Se o seu medicamento tiver um limite, pode pedir-nos para alterar o limite e abranger mais.
- Outros exemplos: Pode pedir-nos a redução das restrições de terapia por etapas ou dos requisitos de PA.

B11. Como posso pedir para abrir uma exceção?

Para pedir uma exceção, contacte os Serviços para Membros. Os Serviços para Membros irão trabalhar consigo e o seu prestador para ajudar a solicitar uma exceção. Também pode consultar o Capítulo 9 do *Manual do Membro* para obter mais informações sobre as exceções.

B12. Quanto tempo demora para obter uma exceção?

Depois de recebermos uma declaração do seu profissional de saúde a apoiar o seu pedido de exceção, vamos apresentar-lhe uma decisão no prazo de 72 horas.

O pedido de exceção pode ser apresentado pelo membro, pelo profissional de saúde do membro e/ou representante nomeado (com autorização por escrito) preenchendo o formulário Prescription Drug Coverage Determination Request (Pedido de Determinação de Cobertura de Medicamentos Sujeitos a Receita Médica) disponível no nosso website em ccama.org. O formulário pode ser enviado por correio ou fax:

CVS Caremark Part D Appeals and Exceptions
PO Box 52000, MC109
Phoenix, AZ 85072-2000
Fax: 855-633-7673

Se o membro ou o seu profissional de saúde considerar que a sua saúde pode ser prejudicada se tiver de esperar 72 horas por uma decisão, pode solicitar uma exceção rápida. Esta é uma decisão mais rápida. Se o seu profissional de saúde apoiar o seu pedido, receberá uma decisão no prazo de 24 horas após recebermos a declaração do seu profissional de saúde a apoiar o pedido.

B13. O que são medicamentos genéricos?

Os medicamentos genéricos são constituídos pelos mesmos ingredientes ativos dos medicamentos de marca. Normalmente custam menos do que o medicamento de marca e geralmente funcionam igualmente bem. Geralmente não têm nomes muito conhecidos. Os medicamentos genéricos são aprovados pela Food and Drug Administration (FDA). Estão disponíveis medicamentos genéricos para vários medicamentos de marca. Os medicamentos genéricos geralmente podem ser substituídos por medicamentos de marca na farmácia sem uma nova receita—dependendo das leis do estado.

O CCA One Care abrange medicamentos de marca e medicamentos genéricos.

B14. O que são produtos biológicos originais e qual a relação destes com produtos biossimilares?

Quando nos referimos a medicamentos, isto pode significar um medicamento ou um produto biológico. Os produtos biológicos são medicamentos mais complexos do que os medicamentos típicos. Como os produtos biológicos são mais complexos do que os medicamentos típicos, em vez de terem uma forma genérica, eles têm formas que se designam biossimilares. Geralmente, os biossimilares funcionam tão bem como o produto biológico original e podem ter um custo inferior. Existem alternativas biossimilares para alguns produtos biológicos originais. Alguns biossimilares são biossimilares compatíveis e, dependendo das leis do estado, podem ser substituídos pelo produto biológico original na farmácia sem ser necessária uma nova receita, assim como os medicamentos genéricos podem ser substituídos por medicamentos de marca.

Para obter mais informações sobre os tipos de medicamentos, consulte o Capítulo 5 do *Manual do Membro*.

B15. O que são medicamentos OTC?

OTC significa “de venda livre”. O CCA One Care abrange alguns medicamentos OTC quando estes são receitados pelo seu prestador.

Pode consultar a Lista de Medicamentos do CCA One Care para saber que medicamentos OTC são abrangidos.

B16. O CCA One Care abrange produtos OTC não medicamentosos?

O CCA One Care abrange alguns produtos OTC não medicamentosos quando estes são receitados pelo seu prestador.

Exemplos de produtos OTC não medicamentosos incluem gazes e pensos, compressas com álcool e determinadas agulhas/seringas.

Pode consultar a Lista de Medicamentos do CCA One Care para saber que produtos OTC não medicamentosos são abrangidos.

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

B17. O CCA One Care abrange abastecimentos de longa duração de receitas?

- **Programas de encomenda postal.** Oferecemos um programa de encomenda postal que permite obter um abastecimento de até 90 dias dos seus medicamentos sujeitos a receita médica enviado diretamente para a sua casa. Os medicamentos por encomenda postal estão isentos de copagamento.
- **Programas para 90 Dias em Farmácias de Retalho.** Algumas farmácias de retalho também podem oferecer um abastecimento de até 90 dias de medicamentos sujeitos a receita médica abrangidos. As receitas de farmácias de retalho estão isentas de copagamento.

B18. Posso receber entregas de receitas em minha casa a partir da farmácia local?

A sua farmácia local pode ser capaz de entregar a sua receita em sua casa. Pode contactar a farmácia local para saber se oferecem entregas ao domicílio.

B19. Qual é o meu copagamento?

Os membros do CCA One Care estão isentos de copagamento para medicamentos sujeitos a receita médica e medicamentos OTC desde que respeitem as regras do plano. Se tiver dúvidas, contacte os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana.

B20. O que são os níveis de medicamentos?

Os níveis são grupos de medicamentos na nossa Lista de Medicamentos.

- Os medicamentos de Nível 1 são medicamentos genéricos preferenciais.
- Os medicamentos de Nível 2 são medicamentos genéricos.
- Os medicamentos de Nível 3 são medicamentos de marca/especiais preferenciais.
- Os medicamentos de Nível 4 são medicamentos de marca não preferenciais.
- Os medicamentos de Nível 5 são medicamentos não abrangidos pelo Medicare/OTC.

Todos os cinco níveis consistem tanto em medicamentos da parte D como medicamentos não abrangidos pelo Medicare e/ou medicamentos OTC não abrangidos pelo Medicare.

Todos os níveis estão isentos de copagamento. Como membro do nosso plano, não paga nada por todos os medicamentos abrangidos, independentemente do nível em que estão.

C. Visão geral da Lista de Medicamentos Abrangidos

A seguinte lista de medicamentos abrangidos contém informações sobre os medicamentos abrangidos pelo CCA One Care. Se tiver problemas em encontrar o seu medicamento na lista, consulte o Índice de Medicamentos Abrangidos que começa na secção D. O índice lista alfabeticamente todos os medicamentos abrangidos pelo CCA One Care.

A primeira coluna do quadro lista o nome do medicamento. Os medicamentos de marca estão capitalizados (por exemplo, MYRBETRIQ) e os medicamentos genéricos estão listados em minúsculas e itálico (por exemplo, *cephalexin*).

As informações na coluna “Ações necessárias, restrições ou limites de utilização” indicam se o CCA One Care tem alguma disposição para abranger o seu medicamento.

Nota: DP ao lado de um medicamento significa que este não é um “medicamento da Parte D”. O valor que paga quando avia uma receita para este medicamento não conta para os custos totais de medicamentos (ou seja, o valor pago não o ajuda a qualificar-se para uma cobertura de catástrofes).

- Além disso, se está a receber Extra Help (Ajuda Adicional) para pagar as suas receitas, não vai ter qualquer Extra Help para pagar estes medicamentos. Para obter mais informações sobre a Extra Help, consulte a caixa salientada abaixo.

Extra Help (Ajuda Adicional) é um programa Medicare para ajudar pessoas com rendimentos e recursos limitados a reduzir os custos de medicamentos sujeitos a receita médica Medicare Parte D, tais como prémios, franquias e copagamentos. A Extra Help também é designada como “Low-Income Subsidy” (Subsídio de Baixo Rendimento) ou “LIS”.

- Estes medicamentos têm disposições diferentes para os recursos. Um recurso é uma via formal de nos pedir para rever uma decisão que tomámos sobre a sua cobertura e alterá-la se considerar que cometemos um erro. Por exemplo, podemos decidir que um medicamento que pretende não está abrangido ou já não se encontra abrangido pelo Medicare ou MassHealth.
- Se o membro ou o seu profissional de saúde discordarem da nossa decisão, podem recorrer.

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações**, visite ccama.org.

- Se tiver alguma dúvida, contacte os Serviços para Membros através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. Também pode consultar o Capítulo 9 do *Manual do Membro* para saber como recorrer de uma decisão.

C1. Medicamentos Agrupados por Patologia

Os medicamentos nesta secção estão agrupados por categorias, em função dos tipos de patologias para os quais são utilizados. Por exemplo, se tiver um problema cardíaco, deve procurar na categoria Agentes cardiovasculares. É aqui que se encontram os medicamentos para tratamento de problemas cardíacos.

Significados dos códigos usados na coluna “Ações necessárias, restrições ou limites de utilização”:

(g) = Apenas está abrangida a versão genérica deste medicamento. A versão de marca não está abrangida.

M = A versão de marca deste medicamento está no Nível 3. A versão genérica está no Nível 1.

EA = Cada

GM = Gramas

ML = Mililitros

NDS = Abastecimento Diário Não Prolongado. Poderá receber mais de 1 mês de abastecimento da maioria dos medicamentos no seu Formulário através de encomenda de retalho ou postal. Os medicamentos com a indicação “NDS” estão limitados a 1 mês de abastecimento para encomenda de retalho e postal.

PA = Aprovação prévia (ou autorização prévia). Para alguns medicamentos, o membro ou o seu médico ou outro profissional de saúde devem obter a aprovação do CCA One Care antes de aviar a receita. Se não receber aprovação, o CCA One Care poderá não abranger o medicamento.

B/D = Restrição de Autorização Prévia para Determinação de Parte B ou Parte D: este medicamento pode ser elegível para pagamento ao abrigo da Parte B do Medicare ou da Parte D do Medicare. O membro ou o seu prestador de serviços de saúde têm de obter uma autorização prévia do CCA One Care para determinar que este medicamento está abrangido pela Parte D do Medicare antes de aviar a receita. Sem aprovação prévia, o CCA poderá não abranger este medicamento. PA_BVD não se aplica a membros exclusivamente do Medicaid.

PA_NSO = Restrição de Autorização Prévia Apenas para Novos Medicamentos.

Se este é um medicamento novo para si, tem de obter (ou o seu prestador de serviços de saúde) autorização prévia do CCA One Care antes de aviar a receita para este medicamento. Sem aprovação prévia, o CCA One Care poderá não abranger este medicamento. PA_NSO não se aplica a membros exclusivamente do Medicaid.

QL = limite de quantidade. por vezes, o CCA One Care limita a quantidade que pode obter de um medicamento.

ST = Terapia por etapas. Por vezes, o CCA One Care exige que se submeta a terapia por etapas. Isto significa que terá de tomar medicamentos numa determinada ordem para as suas patologias. Poderá ter de experimentar um medicamento antes de abrangermos outro medicamento. Se o seu prestador de serviços de saúde considerar que o primeiro medicamento não funciona para o seu caso, então vamos abranger o segundo.

ST_NSO = Terapia por Etapas Apenas para Novos Medicamentos. Se este medicamento for novo para o membro, este tem de experimentar primeiro certos medicamentos para tratar a sua patologia antes de abrangermos outro medicamento para essa patologia. ST_NSO não se aplica a membros exclusivamente do Medicaid.

VAC = Vacina. Vacinas Medicare Parte D (Paga \$0)

Se tiver dúvidas, contacte o CCA One Care através do número 866-610-2273 (TTY 711), das 8 AM às 8 PM, 7 dias por semana. A chamada é gratuita. **Para obter mais informações,** visite ccama.org.
