2026 Transition Process for CCA Senior Care Options (HMO D-SNP)

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you like. For example, CCA Senior Care Options (HMO D-SNP) may not cover the drug you want to take. Or our plan covers the drug, but there are special rules or limits on coverage. In some cases, we can give you a **temporary supply** of a drug when the drug isn't on our Drug List or is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug. To learn more about getting your outpatient drugs, refer to **Chapter 5** of your 2026 *Member Handbook.*

To get a **temporary supply** of a drug, you must meet the two rules below:

1. The drug you've been taking:
    - is no longer on our *Drug List* **or**
    - was never on our *Drug List* **or**
    - is now limited in some way.
2. You must be in one of these situations:
    - You were in our plan last year.
        - We cover a temporary supply of your drug during the first 90 days of the calendar year.
        - This temporary supply is for up to 31 days.
        - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
        - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.

- You're new to our plan.
    - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
    - This temporary supply is for up to 31 days.
    - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 31 days of medication. You must fill the prescription at a network pharmacy.
    - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You've been in our plan for more than 90 days, live in a long-term care facility, and need a supply right away.
    - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
- For those who have a level-of-care transition:
    - For current enrollees with level-of-care changes, we will provide an emergency supply of at least 31 days (unless the prescription is written for fewer days) for all non-formulary medications including those that may have step therapy or prior authorization requirements. An unplanned level of care transition could be any of the following:
        - A discharge or admission to a long-term care facility
        - A discharge or admission to a hospital, or
        - A nursing facility skilled level change.

For MassHealth (Medicaid) Drugs:

- You're new to the plan.
    - We'll cover the supply of your MassHealth (Medicaid) drug for 90 days or until your comprehensive assessment and Care Plan are complete, or less if your prescription is written for fewer days.

- To ask for a temporary supply of a drug, call Member Services at 866-610-2271 (TTY 711), 8 am to 8 pm, 7 days a week.

When you get a temporary supply of a drug, talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

  Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that may work for you.

OR

- **Ask for an exception.**

  You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't on our *Drug List* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

Asking for an exception

If a drug you take will be taken off our *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug for next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of your 2026 *Member Handbook*.

If you need help asking for an exception, or if you have any questions about this notice, please call Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week.

CCA Senior Care Options (HMO D-SNP) is a Dual Special Needs Plan (D-SNP) with a Medicare contract and a contract with the Commonwealth of Massachusetts Medicaid program. Enrollment in the plan depends on the plan's contract renewal with Medicare.
