E. Background Information about CCA Senior Care Options' Network Pharmacies

This Directory lists the pharmacies that you may use to get your drugs. These are referred to as **network pharmacies** in this Directory. These network pharmacies are pharmacies that **participate in and accept** CCA Senior Care Options and have agreed to provide drugs to you as a member of the plan.

The drugs you get from a pharmacy are covered by CCA Senior Care Options. This can include some over-the-counter medications and certain vitamins.

Please contact CCA Senior Care Options Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week, or your Care coordinator or GSSC for assistance.

We also list pharmacies that are in our network but are outside Worcester County in which you live. You may also fill your prescriptions at these pharmacies. You can use any of the pharmacies in our network. Please contact CCA Senior Care Options at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week, for additional information.

CCA Senior Care Options members must use network pharmacies to get drugs except in emergency or urgent care situation.

- If you use an out-of-network pharmacy for prescriptions when it isn't an emergency, you'll have to pay out of pocket for the service.
- Read the CCA Senior Care Options Member Handbook for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.

E1. Types of pharmacies in CCA Senior Care Options' network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-order pharmacies send covered drugs to members through the mail or shipping companies.
- Home infusion pharmacies prepare drugs that are given through a vein, within a muscle, or in another non-oral way by a trained provider in your home.
- Long-term care (LTC) pharmacies serve residents of long-term care facilities, such as nursing homes.
- Specialty pharmacies fill prescriptions used to treat certain complex or chronic conditions that usually require close monitoring and special handling.

You aren't required to continue using the same pharmacy to fill your prescriptions.

E2. Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 100-day supply of your drugs sent directly to your home. Specialty drugs are limited to a 31-day supply.
- 100-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 100-day supply of covered drugs. Specialty drugs are limited to a 31-day supply.

You can get drugs shipped to your home through our network mail-order delivery program which is called CVS Caremark Mail Service Pharmacy Program. The pharmacy will contact you, by phone, to get your approval before shipping any prescriptions. If we are unable to reach you for approval, your prescription will not be sent to you.

Typically, you should expect to get your drugs within 14 days from the time that the mail-order pharmacy gets the order. If you don't get your drug(s) within this time, or if you need to ask for a refund for prescriptions you got that you didn't want or need, please contact us at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week. To learn more about mail-order pharmacies, refer to **Chapter 5** of the Member Handbook.
