Request for Reconsideration of Medicare Prescription Drug Denial

You have the right to ask for an independent review of your Medicare drug plan's decision to deny coverage or payment for a prescription drug you requested. Use this form to ask for an independent review of your drug plan's decision. **You can also file a request online at c2cinc.com//Appellant-Signup**.

- You may ask for an independent review within 65 days of the date of the plan's Redetermination Notice.
- Your prescriber can file a reconsideration request on your behalf without being an appointed representative. If you want another person to file for you (like a family member or friend), you must appoint that person as your representative.

Do you need an expedited (fast) decision?

☐ **Check this box if you believe you need a decision within 72 hours.** If you have a supporting statement from your prescriber, attach it to this request.

- If you or your prescriber believe that waiting for a standard decision (provided within 7 days) could seriously harm your life, health, or ability to regain maximum function, you can ask for an expedited (fast) decision.
- If your prescriber indicates that waiting 7 days could seriously harm your life or health or ability to regain maximum function, the independent review organization will automatically give you a decision within 72 hours. This timeframe may be extended for up to 14 calendar days if your case involves an exception request and we didn't get the supporting statement from your prescriber supporting the request, OR the person acting for you files an appeal request but doesn't submit the right documentation of representation.
- If you don't get your prescriber's support for an expedited appeal, the independent review organization will decide if your health condition requires a fast decision.

Explain why you think this drug should be covered
