B. Preguntas frecuentes (FAQ)

Encuentre aquí respuestas a las preguntas que tenga sobre esta *Lista de medicamentos cubiertos* (*Lista de medicamentos*). Puede leer todas las preguntas frecuentes para obtener más información o buscar una pregunta y respuesta.

B1. ¿Qué medicamentos están en la *Lista de Medicamentos Cubiertos*? (Para abreviar, llamamos *Lista de Medicamentos* a la *Lista de Medicamentos cubiertos*).

Los medicamentos en la *Lista de medicamentos* que comienza en la **Sección C** son los medicamentos cubiertos por CCA One Care. Los medicamentos están disponibles en farmacias de nuestra red. Una farmacia está en nuestra red si tenemos un acuerdo con ella para trabajar juntos y brindarle servicios a usted. A estas farmacias las llamamos “farmacias de la red”.

- CCA One Care cubrirá todos los medicamentos médicamente necesarios en la *Lista de medicamentos* si:
 - su médico u otro médico que le receta medicamentos le dice que los necesita para mejorar o mantenerse saludable;
 - CCA One Care está de acuerdo con que el medicamento es médicamente necesario para usted; **y**
 - usted surte la receta en una farmacia de la red CCA One Care.
- En algunos casos, es necesario hacer algo antes de poder conseguir un medicamento. Consulte la pregunta B4 para obtener más información.

También puede encontrar una lista actualizada de los medicamentos que cubrimos en nuestro sitio web ccama.org o llamar a Servicios al miembro al 866-610-2273 (TTY 711) de 8 am a 8 pm, los 7 días de la semana.

B2. ¿La *Lista de medicamentos* cambia alguna vez?

Sí, y CCA One Care debe seguir las reglas de Medicare y MassHealth (Medicaid) al realizar cambios. Podemos agregar o eliminar medicamentos de la *Lista de medicamentos* durante el año.

También podemos cambiar nuestras reglas sobre los medicamentos. Por ejemplo, podríamos hacer lo siguiente:

- Decidir si se requiere o no autorización previa para un medicamento. (La autorización previa es el permiso de CCA One Care antes de que pueda obtener un medicamento).

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 8

- Agregar o cambiar la cantidad de un medicamento que puede obtener (llamados límites de cantidad).
- Agregar o cambiar las restricciones de terapia escalonada en un medicamento. (La terapia escalonada significa que debe probar un medicamento antes de que cubramos otro).

Para obtener más información sobre estas reglas sobre medicamentos, consulte la pregunta B4.

Si está tomando un medicamento que estaba cubierto a **principios** de año, generalmente no eliminaremos ni cambiaremos la cobertura de ese medicamento **durante el resto del año**, a menos que:

- aparezca un medicamento nuevo y más barato en el mercado que funciona tan bien como un medicamento que figura actualmente en la *Lista de Medicamentos*, o
- nos enteremos de que un medicamento no es seguro, o
- un medicamento se retire del mercado.

Las preguntas B3 y B6 a continuación tienen más información sobre lo que sucede cuando cambia la *Lista de medicamentos*.

- Siempre puede consultar la *Lista de medicamentos* actualizada de CCA One Care en línea en ccama.org. Las actualizaciones de la *Lista de medicamentos* se publican en el sitio web mensualmente.
- También puede llamar a Servicios al miembro al 866-610-2273 (TTY 711) de 8 am a 8 pm, los 7 días de la semana para consultar la *Lista de medicamentos* actual.

B3. ¿Qué sucede cuando hay un cambio en la *Lista de Medicamentos*?

Algunos cambios en la *Lista de Medicamentos* se producirán **de inmediato**. Entre algunos de los ejemplos, se incluyen los siguientes:

- **Sustituciones de ciertas nuevas versiones de medicamentos.** Podemos eliminar de inmediato los medicamentos de la *Lista de medicamentos* si los reemplazamos con ciertas versiones nuevas de ese medicamento, pero el costo del nuevo medicamento seguirá siendo el mismo. Cuando agregamos una nueva versión de un medicamento, también podemos decidir mantener el medicamento de marca o el producto biológico original en la lista, pero cambiar sus reglas o límites de cobertura.
 - Es posible que no le informemos antes de realizar este cambio, pero le enviaremos información sobre el cambio específico que realizamos una vez que ocurra.

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 9

- Podemos realizar estos cambios solo si el medicamento que estamos agregando:
 - es una nueva versión genérica de un medicamento de marca, o
 - es una nueva versión biosimilar determinada de productos biológicos originales de la *Lista de Medicamentos* (por ejemplo, agregar un biosimilar intercambiable que pueda sustituir a un producto biológico original sin una nueva receta).
 - Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la **Sección B14**.
- Usted o su proveedor pueden solicitar una excepción a estos cambios. Le enviaremos un aviso con los pasos que puede seguir para solicitar una excepción. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.
- **Eliminar medicamentos inseguros y otros medicamentos que se retiran del mercado.** A veces, un medicamento puede resultar inseguro o retirarse del mercado por otro motivo. Si esto sucede, podemos retirarlo de inmediato de la *Lista de medicamentos*. Si está tomando el medicamento, le enviaremos un aviso después de que realicemos el cambio. Su proveedor emitirá una receta para un nuevo medicamento para reemplazar al medicamento que se retiró del mercado.

Podemos realizar otros cambios que afecten a los medicamentos que toma. Le informaremos con antelación sobre estos otros cambios en la *Lista de Medicamentos*. Estos cambios podrían ocurrir si:

- La FDA proporciona nuevas pautas o existen nuevas pautas clínicas sobre un medicamento.
- Eliminamos un medicamento de marca de la *Lista de medicamentos* cuando agregamos un medicamento genérico que no es nuevo en el mercado, o
- Eliminamos un producto biológico original al agregar uno biosimilar, o
- Cambiamos las reglas o límites de cobertura para el medicamento de marca.

Cuando se produzcan estos cambios, haremos lo siguiente:

- informarle al menos 30 días antes de que hagamos el cambio en la *Lista de Medicamentos*, o
- le informaremos y le daremos un suministro del medicamento para 31 días después de que solicite un resurtido.

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 10

Esto le dará tiempo para hablar con su médico u otro profesional que le recetó el medicamento. Pueden ayudarle a decidir lo siguiente:

- si hay un medicamento similar en la *Lista de medicamentos* que puede tomar en su lugar, o
- si se debe solicitar una excepción a estos cambios. Para obtener más información sobre las excepciones, consulte las preguntas B10 a B12.

B4. ¿Existen restricciones o límites en la cobertura de medicamentos o alguna acción obligatoria a tomar para obtener determinados medicamentos?

Sí, algunos medicamentos tienen reglas de cobertura o límites en la cantidad que puede obtener. En algunos casos, usted, su médico u otro profesional que le receta el medicamento deben hacer algo antes de que pueda obtenerlo. Entre algunos de los ejemplos, se incluyen los siguientes:

- **Autorización previa:** Para algunos medicamentos, usted, su médico u otro profesional que receta deben obtener autorización de CCA One Care antes de surtir su receta. La autorización previa es diferente a una remisión. Es posible que CCA One Care no cubra el medicamento si no obtiene autorización previa.
- **Límites de cantidad:** A veces CCA One Care limita la cantidad de un medicamento que puede obtener.
- **Terapia escalonada:** A veces CCA One Care requiere que usted realice una terapia escalonada. Esto significa que tendrá que probar medicamentos para su afección médica en un orden determinado. Es posible que tenga que probar un medicamento antes de que cubramos otro. Si su médico considera que el primer medicamento no funciona para usted, entonces cubriremos el segundo.
- **Cobertura basada en indicaciones:** Si CCA One Care cubre un medicamento solo para algunas afecciones médicas, lo identificamos claramente en la *Lista de medicamentos* junto con las afecciones médicas específicas que están cubiertas.

Puede consultar las tablas de la **Sección C** para saber si su medicamento tiene requisitos o límites adicionales. También puede obtener más información visitando nuestro sitio web ccama.org. Hemos publicado documentos en línea que explican nuestras restricciones de autorización previa y de terapia escalonada. También puede solicitarnos que le enviemos una copia.

Puede solicitar una excepción a estos límites. Esto le dará tiempo para hablar con su médico u otro profesional que le recetó el medicamento. Pueden ayudarle a decidir si hay un medicamento similar en la *Lista de medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información,** visite ccama.org. 11

B5. ¿Cómo sabré si el medicamento que quiero tiene límites o si hay acciones necesarias a realizar para obtenerlo?

La tabla en la sección titulada “Lista de medicamentos por afección médica” tiene una columna denominada “Acciones necesarias, restricciones o límites de uso”.

B6. ¿Qué sucede si CCA One Care cambia sus reglas sobre cómo cubren algunos medicamentos (por ejemplo, autorización previa, límites de cantidad y/o restricciones de terapia escalonada)?

En algunos casos, le informaremos con anticipación si agregamos o modificamos la autorización previa, los límites de cantidad y/o las restricciones de terapia escalonada de un medicamento. Consulte la pregunta B3 para obtener más información sobre este aviso anticipado y las situaciones en las que es posible que no podamos informarle con anticipación cuando cambien nuestras reglas sobre los medicamentos en la *Lista de medicamentos*.

B7. ¿Cómo puedo encontrar un medicamento en la *Lista de medicamentos*?

Hay dos formas de encontrar un medicamento:

- Puede buscar alfabéticamente, o
- Puede buscar por afección médica.

Para buscar **alfabéticamente**, busque su medicamento en la sección Índice de medicamentos cubiertos. Puede encontrarlo en la **Sección D**. El Índice de medicamentos cubiertos es una lista alfabética de todos los medicamentos incluidos en la *Lista de Medicamentos*. En el índice se enumeran los medicamentos de marca y los medicamentos genéricos.

Para buscar por afección médica, busque la **Sección C** denominada “Lista de medicamentos por afección médica”. Los medicamentos de esta sección están agrupados por categorías, según qué tipo de afecciones médicas tratan. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría Agentes cardiovasculares. Ahí es donde encontrará medicamentos que tratan afecciones cardíacas.

B8. ¿Qué pasa si el medicamento que quiero tomar no está en la *Lista de Medicamentos*?

Si no encuentra su medicamento en la *Lista de medicamentos*, llame a Servicios al miembro al 866-610-2273 (TTY 711) de 8 am a 8 pm, los 7 días de la semana y pregunte al respecto. Si se entera de que CCA One Care no cubrirá el medicamento, puede hacer una de estas cosas:

- Solicite a Servicios al miembro una lista de medicamentos como el que desea tomar. Luego, muestre la lista a su médico u otro profesional que receta. Pueden recetarle un medicamento de la *Lista de Medicamentos* que sea similar al que usted desea tomar. **O bien**

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 12

- Pídale a CCA One Care que haga una excepción para cubrir su medicamento. Consulte las preguntas B10 a B12 para obtener más información sobre las excepciones.

B9. ¿Qué pasa si soy un nuevo miembro de CCA One Care y no puedo encontrar mi medicamento en la *Lista de medicamentos* o tengo un problema para obtenerlo?

Podemos ayudar. Podemos cubrir un suministro temporal de 31 días de su medicamento durante los primeros 90 días que sea miembro de CCA One Care. Esto le dará tiempo para hablar con su médico u otro profesional que le recetó el medicamento. Pueden ayudarle a decidir si hay un medicamento similar en la *Lista de medicamentos* que pueda tomar en su lugar o si debe solicitar una excepción.

Si su receta está escrita para menos días, permitiremos múltiples resurtidos para proporcionar hasta un máximo de 31 días de medicación.

Cubriremos un suministro para 31 días de su medicamento si:

- está tomando un medicamento que no está en nuestra *Lista de Medicamentos*, o
- las reglas de nuestro plan no le permiten obtener la cantidad ordenada por su médico, o
- el medicamento requiere autorización previa de CCA One Care, o
- está tomando un medicamento que es parte de una restricción de terapia escalonada.

Si está tomando un medicamento cubierto que CCA One Care no considera un medicamento de la Parte D, tiene derecho a obtener un suministro único del medicamento para 72 horas. Si la farmacia no puede facturar a CCA One Care por este suministro único, MassHealth (Medicaid) lo pagará.

Si se encuentra en un hogar de ancianos u otro centro de atención a largo plazo y necesita un medicamento que no está en la *Lista de medicamentos*, o si no puede conseguir fácilmente el medicamento que necesita, podemos ayudarlo. Si ha estado en el plan durante más de 90 días, vive en un centro de atención a largo plazo y necesita un suministro de inmediato:

- Cubriremos un suministro del medicamento que necesita por 31 días (a menos que tenga una receta para menos días), independientemente de si es o no un nuevo miembro de CCA One Care.
- Esto se suma al suministro temporal durante los primeros 90 días que es miembro de CCA One Care.

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 13

Proporcionaremos un suministro de emergencia para al menos 31 días (a menos que la receta esté indicada para menos días) para todos los medicamentos que no estén en el formulario, incluidos los que pueden tener requisitos de tratamiento escalonado o autorización previa. Un nivel de atención no planeado podría incluir cualquiera de las siguientes situaciones:

- El alta de un centro de atención a largo plazo o la admisión en este
- El alta de un hospital o la admisión en este
- Un cambio de nivel de un centro de atención de enfermería especializada

B10. ¿Puedo solicitar una excepción para la cobertura de mi medicamento?

Sí. Puede solicitarle a CCA One Care que haga una excepción para cubrir un medicamento que no esté en la *Lista de medicamentos*.

También puede solicitarnos que cambiemos las reglas sobre su medicamento.

- Por ejemplo, CCA One Care puede limitar la cantidad de un medicamento que cubriremos. Si su medicamento tiene un límite, puede solicitarnos que cambiemos el límite y cubramos más.
- Otros ejemplos: Puede solicitarnos que eliminemos las restricciones de la terapia escalonada o los requisitos de autorización previa.

B11. ¿Cómo puedo solicitar una excepción?

Para solicitar una excepción, llame a *Servicios al miembro*. Un representante de Servicios al miembro trabajará con usted y su médico para ayudarlo a solicitar una excepción. También puede leer el **Capítulo 9** del *Manual para miembros* para obtener más información sobre las excepciones.

B12. ¿Cuánto tiempo se tarda en obtener una excepción?

Después de que recibamos una declaración de su médico que respalde su solicitud de excepción, le daremos una decisión dentro de las 72 horas.

Un miembro, el profesional que receta de un miembro y/o representante designado (con consentimiento por escrito) puede solicitar la excepción completando el formulario de Solicitud de determinación de cobertura de medicamentos recetados disponible en nuestro sitio web en ccama.org. El formulario puede enviarse por correo o fax:

Si usted o su médico creen que su salud puede verse perjudicada si tiene que esperar 72 horas para recibir una decisión, puede solicitar una excepción acelerada. Esta es una decisión más

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 14

rápida. Si su médico respalda su solicitud, le daremos una decisión dentro de las 24 horas de recibir la declaración de respaldo de su médico.

B13. ¿Qué son los medicamentos genéricos?

Los medicamentos genéricos están compuestos de los mismos ingredientes activos que los medicamentos de marca. Por lo general, cuestan menos que los medicamentos de marca y, en general, funcionan igual de bien. Estos generalmente no tienen nombres conocidos. Los medicamentos genéricos están aprobados por la Food and Drug Administration (FDA). Hay medicamentos genéricos disponibles para muchos medicamentos de marca. Los medicamentos genéricos generalmente pueden sustituir a los medicamentos de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

CCA One Care cubre tanto medicamentos de marca como medicamentos genéricos.

B14. ¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

Cuando nos referimos a medicamentos, podríamos referirnos a un medicamento o a un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Como los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen formas llamadas biosimilares. Generalmente, los biosimilares funcionan tan bien como el producto biológico original y pueden costar menos. Existen alternativas biosimilares a algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según la ley estatal, pueden reemplazarse por el producto biológico original en la farmacia sin la necesidad de una nueva receta, del mismo modo que los medicamentos genéricos pueden reemplazarse por los medicamentos de marca.

Para obtener más información sobre los tipos de medicamentos, consulte el **Capítulo 5** del *Manual para miembros*.

B15. ¿Qué son los medicamentos OTC?

OTC significa “over-the-counter” (de venta libre). CCA One Care cubre algunos medicamentos OTC cuando su proveedor los prescribe como recetas.

Puede leer la *Lista de medicamentos* de CCA One Care para saber qué medicamentos OTC están cubiertos.

B16. ¿CCA One Care cubre productos OTC que no son medicamentos?

CCA One Care cubre algunos productos OTC que no son medicamentos cuando su proveedor los prescribe como recetas. Algunos ejemplos de productos OTC que no son medicamentos incluyen gasas y apósitos, hisopos con alcohol y ciertas agujas y jeringas.

Si tiene preguntas, llame a CCA One Care al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana. La llamada es gratuita. **Para obtener más información**, visite ccama.org. 15

Puede leer la *Lista de medicamentos* de CCA One Care para saber qué productos OTC que no son medicamentos están cubiertos.

B17. ¿CCA One Care cubre el suministro de recetas a largo plazo?

- **Programas de pedidos por correo.** Ofrecemos un programa de pedidos por correo que le permite obtener un suministro de hasta 100 días de sus medicamentos, que se envían directamente a su hogar. No hay copago para medicamentos pedidos por correo. Los medicamentos especializados se limitan a un suministro para 31 días.
- **Programas de 100 días de farmacias minoristas.** Algunas farmacias minoristas también pueden ofrecer un suministro de hasta 100 días de medicamentos cubiertos. No hay copago para recetas de farmacias minoristas. Los medicamentos especializados se limitan a un suministro para 31 días.

B18. ¿Puedo obtener recetas enviadas a mi domicilio desde mi farmacia local?

Es posible que su farmacia local pueda entregarle su medicamento recetado a su domicilio. Puede llamar a su farmacia para averiguar si ofrecen entrega a domicilio.

B19. ¿Cuál es mi copago?

Los miembros de CCA One Care no tienen copagos para medicamentos recetados y OTC siempre que el miembro siga las reglas del plan. Consulte las preguntas B15 y B16 para obtener más información sobre medicamentos OTC y productos que no son medicamentos.

Los niveles son grupos de medicamentos en nuestra *Lista de medicamentos*.

Todos los medicamentos de la Lista de medicamentos del plan están en el nivel 1. No tiene copagos para medicamentos recetados y OTC en la Lista de medicamentos de CCA One Care. Para encontrar sus medicamentos, puede consultar la Lista de medicamentos.

El nivel 1 consta de medicamentos de la Parte D y medicamentos no cubiertos por Medicare, y/o medicamentos OTC no cubiertos por Medicare.

Si tiene preguntas, llame a Servicios al miembro al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana.

C. Descripción general de la *Lista de medicamentos cubiertos*

La *Lista de medicamentos cubiertos* le brinda información sobre los medicamentos cubiertos por CCA One Care. Si tiene problemas para encontrar su medicamento en la lista, consulte el Índice de medicamentos cubiertos que comienza en la **Sección D**. El índice enumera alfabéticamente todos los medicamentos cubiertos por CCA One Care.

Nota: El asterisco (*) junto a un medicamento significa que el medicamento no es un “medicamento de la Parte D”. Estos medicamentos tienen diferentes reglas de apelación.

- Una apelación es una forma formal de solicitarnos que revisemos una decisión que tomamos sobre su cobertura y que la cambiemos si cree que cometimos un error.
- Por ejemplo, podríamos decidir que un medicamento que usted desea no está cubierto o ya no está cubierto por Medicare o MassHealth (Medicaid).
- Si usted o su médico no están de acuerdo con nuestra decisión, pueden apelar. Si alguna vez tiene alguna pregunta, llame a Servicios al miembro al 866-610-2273 (TTY 711), de 8 am a 8 pm, los 7 días de la semana, o a los números que aparecen al final de esta página o al pie de página de este documento.
- También puede leer el **Capítulo 9** del *Manual para miembros* para saber cómo apelar una decisión.

C1. Lista de medicamentos por afección médica

Los medicamentos de esta sección están agrupados por categorías, según qué tipo de afecciones médicas tratan. Por ejemplo, si tiene una afección cardíaca, debe buscar en la categoría de agentes cardiovasculares. Ahí es donde encontrará medicamentos que tratan afecciones cardíacas.

A continuación se detallan los significados de los códigos utilizados en la columna “Acciones necesarias, restricciones o límites de uso”:

PA = Autorización previa: debe tener autorización del plan antes de poder obtener este medicamento.

ST = Terapia escalonada: debe probar otro medicamento antes de poder obtener éste.

QL = Límite de cantidad. A veces CCA One Care limita la cantidad de un medicamento que puede obtener.

NDS = Suministro no extendido por día. Es posible que pueda recibir un suministro para más de un mes de la mayoría de los medicamentos de su Formulario a través de pedidos minoristas o por correo. Los medicamentos con la indicación “NDS” están limitados a un suministro de 1 mes tanto para venta minorista como para pedidos por correo.

B/D = Este medicamento puede ser elegible para pago bajo la Parte B o la Parte D de Medicare. Usted o su proveedor de atención médica deben obtener una autorización previa de CCA One Care para determinar que este medicamento está cubierto por la Parte D de Medicare antes de surtir su receta para este medicamento. Sin aprobación previa, es posible que CCA no cubra este medicamento. PA_BVD no se aplica a quienes solo son miembros de Medicaid.

Asterisco (*) = Indica medicamentos que no pertenecen a la Parte D.

La primera columna de la tabla enumera el nombre del medicamento. Los medicamentos genéricos aparecen en cursiva minúscula (por ejemplo, *valsartán*), los medicamentos de marca aparecen en mayúscula (por ejemplo, MYRBETRIQ). La información en la columna “Acciones necesarias,
