

List of Covered Drugs Changes: December 2022 CCA One Care

Commonwealth Care Alliance (CCA) reviews and makes changes to the Formulary (List of Covered Drugs) during the year. We may add or remove drugs. Changes may include:

- Changing our rules or limits of a drug
- Removing the brand name drug and adding the new generic drug
- Removing a drug because the Food and Drug Administration (FDA) says a drug is not safe or the drug manufacturer takes it off the market

If we are making a negative change (removing a drug, increasing the cost-sharing, or adding restrictive rules), we will notify you at least 60 days before the change is effective. One Care members have \$0 Co-pays for medications.

If you have questions, please call CCA Member Services at 866-610-2273 (TTY 711), 8 am to 8 pm, 7 days a week, from October 1 to March 31. (April 1 to September 30: 8 am to 8 pm, Monday to Friday, and 8 am to 6 pm, Saturday and Sunday.) The List of Covered Drugs is available on our website: www.ccama.org

Change(s) effective December 01, 2022

Drug	Change
CALQUENCE 100MG TAB	Formulary Addition, PA_NSO, QL, NDS
