

Marie's Place CCS: Information for Referring Providers

Please call CCA at (866) 420-9332 (option #5, then #1) to inquire about bed availability and eligibility prior to completing the referral form. Once bed availability & eligibility are confirmed, please:

1. Review the below information about the Marie's Place Community Crisis Stabilization (CCS) program
2. Complete the Marie's Place Community Crisis Stabilization Referral Form (begins on Page 2 below)

Requirements for Admission

Eligibility: CCA members covered under Medicare Advantage or Rhode Island plans are not eligible for admission.
COVID: A negative antigen test within 72 hours of admit; PCR test required if member has had close contact or has symptoms.
BH Evaluation: an evaluation by a licensed Behavioral Health Clinician within the last 24 hours that determined need for CCS.
ADLs: Member must be independent with ADLs; Marie's Place CCS is unable to accept members who require PCA services.
Detox: Marie's Place CCS can administer an uncomplicated alcohol or benzo detox. Marie's Place CCS is unable to provide detox protocols using MAT (methadone, suboxone).
Colostomy/urostomy/or intermittent catheterization needs: Member must be independent with care & arrive with 7-day supply
Weight/bariatric accommodations: Marie's Place CCS has one 1 st floor bed that can accommodate up to 450lbs.
Nurse-to-Nurse: A nurse-to nurse consult is required for members admitting from an Emergency Department.
Repeat Admissions: Please complete the referral form for each admission in case clinical status has changed
Transportation: CCA requires the referring provider arrange transportation for the member to Marie's Place.

Required Supplemental Documents for Referral (as applicable)

BH Crisis Evaluation	Tox screen results (if available)
Lab results (if applicable) <ul style="list-style-type: none"> • For Coumadin: most recent PT/INR • For Clozaril: recent/current CBC with differential 	COVID PCR Test Results <i>(only required if member has had close contact or has symptoms of COVID)</i>
Last dose letter from ED if methadone was administered in ED	

Things to inform member prior to arrival

Bring all medications if possible.
Masks are required to be worn for the duration of the admission.
If member is withdrawing from opiates, member will receive comfort measures only.
Controlled substances can take up to 24 hours to fill and are ordered at the provider's discretion.
Wound Care Supplies: Member must come to the unit with a 7-day supply of all supplies and topicals.
