## 2024 Pharmacy Directory

This pharmacy directory was updated on **3/21/2024**. For more recent information or other questions, please contact us at 855-959-5855 (TTY 711), 8 am to 8 pm, 7 days a week, from October 1 to March 31. (April 1 to September 30: 8 am to 8 pm, Monday to Friday.), or visit [www.ccahealthmi.org](http://www.ccahealthmi.org).

Changes to our pharmacy network may occur during the benefit year. An updated Provider and Pharmacy Directory is located on our website at [www.ccahealthmi.org](http://www.ccahealthmi.org). You may also call Member Services at 855-959-5855 (TTY 711) for updated information. **We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

### **Introduction**

This booklet provides a list of CCA Medicare Maximum network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the CCA Medicare Maximum formulary (List of Covered Drugs).

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under CCA Medicare Maximum only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of **March 21, 2024**. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for **Michigan** including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Member Services at 855-959-5855 (TTY 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies listed in this directory are separated by type: Home Infusion, Long-Term Care, Mail Order, Specialty, and Retail and Chain Pharmacies. All pharmacies in each section are listed by city/town and then in alphabetical order.

## **Mail Order Pharmacies**

You can get prescription drugs shipped to your home through our network mail order delivery program. We partner with OptumRx® Home Delivery (OptumRx® Pharmacy) to provide this service. To use our preferred mail order pharmacy, call 844-705-7498 (TTY 711), anytime 24 hours a day, 7 days a week. Or visit [OptumRx.com](https://www.optumrx.com).

CCA covers the cost of the mail order service. A payment method maybe required for processing by Optum® Pharmacy, but it will not be charged for this service.

Typically, you should expect to get your prescription drugs within 7-14 days from the time that the mail-order pharmacy gets the order. If you do not receive your prescription drug(s) within this time, please contact us at 855-959-5855 (TTY 711).

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, OptumRx® Pharmacy will start to process your next refill automatically when their records show that you should be close to running out of your drug. OptumRx® Pharmacy will contact you prior to shipping each refill to make sure you need more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact OptumRx® Pharmacy 14-21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact OptumRx® Pharmacy by calling 844-705-7498. You can also opt out of automatic refills on their website [OptumRx.com](https://www.optumrx.com) by managing your 'Refill Prescription' status.

It is important that you respond each time you are contacted by OptumRx® Pharmacy, to let them know what to do with the new prescription and to prevent any delays in shipping. If new prescriptions are not received from your healthcare provider, all in-network pharmacies must obtain your consent before shipping or delivering any prescriptions you do not personally initiate. To opt out of automatic deliveries of new prescriptions received directly from your healthcare provider, please contact OptumRx® Pharmacy. You can also call Member Services for additional assistance.

Typically, you should expect to get your prescription drugs within 7-14 days from the time that the mail-order pharmacy gets the order. If you do not receive your prescription drug(s) within this time, please contact us at 855-959-5855 (TTY 711).
