

Effective date: January 2022

**Evidence of Coverage Rider  
for People Who Get Extra Help Paying for Prescription Drugs  
(also called a Low Income Subsidy Rider or LIS Rider)**

Please keep this notice - it is part of CCA Medicare Maximum Evidence of Coverage.

Our records show that you qualify for extra help paying for your prescription drug coverage. This means that you will get help paying your monthly premium and prescription drug cost sharing.

As a member of our Plan, you will receive the same coverage as someone who is not getting extra help. Your membership in our Plan will not be affected by the extra help. This also means that you must follow all the rules and procedures in the Evidence of Coverage.

Please see the chart below for a description of your prescription drug coverage:

<b>Your monthly plan premium is</b>	<b>Your yearly deductible is</b>	<b>Your cost-sharing amount for generic/ Value multi-source drugs is no more than</b>	<b>Your cost-sharing amount for all other drugs is no more than</b>
\$0*	\$0	\$0	\$0

\* The monthly plan premium does not include any Medicare Part B premium that you may still need to pay. The plan premium you pay has been calculated based on the Plan's premium and the amount of extra help you get.

Medicare or Social Security will periodically review your eligibility to make sure that you still qualify for extra help with your Medicare prescription drug plan

costs. Your eligibility for extra help might change if there is a change in your income or resources, if you get married or become single, or you lose Medicaid.
