

CCA Health Rhode Island.

Monthly Plan Premium for People who get Extra Help from Medicare to Help Pay for their Prescription Drug Costs

If you get extra help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get extra help from Medicare.

If you get extra help, your monthly plan premium will be \$0 for any of the plan(s) below. (This does not include any Medicare Part B premium you may have to pay.)

- H9876-001 – CCA Medicare Preferred (PPO)
- H9876-002 – CCA Medicare Value (PPO)

CCA Medicare Preferred's (PPO) and CCA Medicare Value's (PPO) premiums include coverage for both medical services and prescription drug coverage.

If you aren't getting extra help, you can see if you qualify by calling:

- 1-800-Medicare or TTY users call 1-877-486-2048 (24 hours a day/7 days a week),
- Your State Medicaid Office, or
- The Social Security Administration at 1-800-772-1213. TTY users should call 1-800-325-0778 between 7 a.m. and 7 p.m., Monday through Friday.

If you have any questions, please call Member Services at 833-346-9222, (TTY/TDD users should call 711) from 8 am to 8 pm, 7 days a week.

CCA Medicare Preferred (PPO) and CCA Medicare Value (PPO) are health plans with a Medicare Contract. Enrollment depends on contract renewal.
