

2022 CCA Intern Bios

Improving care for people with disabilities and chronic health needs

Abhishek Koshal

Medical Affairs

Pennsylvania State University
Master of Health Administration,
Current Student

Hi all, my name is Abhishek Koshal. I am currently an MHA student at The Pennsylvania State University. I have traveled to many countries around the world and like to spend my free time reading or playing soccer.

Aditya Agarwal

Population Health Strategy

Northeastern University

Master of Science in Data Analytics
Engineering, 2023

Hi, I am Aditya. I am skilled in turning large amounts of data and information into interactive visualizations to convey a meaningful story to the intended audience. I like to listen to music during my free time.

Aditya Taroll

APC Collaborative

University of Connecticut

Bachelor of Science in Physiology and Neurobiology,
2025

Hi, my name is Aditya Taroll, I'm a rising 2nd year at the University of Connecticut. In my free time I love to do photography and a fun fact about me is I'm trying to apply to give my own Ted Talk.

Alan Perotti

Legal Affairs

Northeastern University

Juris Doctor, 2023

In my free time, I like to spend time outdoors, spend time with family and friends, go for walks and bike rides, watch TV and movies, read for pleasure, and play video games.

Bennett Durkin

Ancillary Services

Rollins College

Bachelor of Arts in Business Management, 2025

I play baseball at Rollins College and in my free time I enjoy to ski and wake surf.

Brianna Brown

Chronic Disease Programs

Tufts University

Master of Public Health, 2023

My name is Brianna Brown, I am originally from Colorado and am here in Boston completing my MPH at Tufts University. In my free time I love to ski, go on podcast walks, read books, and hang out with friends.

Chaltu Ansha

Clinical Informatics & System
Development

University of South Florida

Master of Science in Health Informatics, 2023

My name is Chaltu Ansha, also go by Mimi. I was born and raised in Ethiopia moved to Minneapolis, MN in 2006. I'm currently pursuing my masters in Health Informatics at University of South Florida.

Fun fact: I have 6 siblings and I'm the oldest. I speak 3 languages: Oromo, Amharic and of course English.

I love to travel, and Cuba is one of my favorite place I've been to so far.

Claribel Martinez

Population Health Strategy

Tufts University

Bachelor in Community Health and International
Relations, 2023

Claribel is a rising senior at Tufts University studying Community Health and International Relations. She loves to do crosswords, go to the beach, and spend time with her friends.

Daniel Jones

IT Information System Security

Southern NH University

Bachelor of Science in
Cybersecurity, Current Student

Aside from cybersecurity, I enjoy a lot of different points of interest. I currently live in Taunton, Mass and assist elderly family members. I love philosophy, history, and enjoy reading, fantasy being my favorite genre.

Emma Colburn

Compliance & Ethics

New England Law

Juris Doctor, 2023

I grew up in the SF Bay Area, attended Purdue University, and am now a rising 3L at New England Law. In my free time I enjoy reading, and I have a twin sister who is a Special Education Teacher in Wisconsin.

Emma Foppema

InstED Business Development

University of Rhode Island

Bachelor in Entrepreneurship &
Innovation, 2025

I love to travel, ski throughout the
Northeast, and I enjoy spending my
free time at the beach.

Gail Moriarity

Legal Affairs

Suffolk University

Juris Doctor, 2024

I love all things music. I have been to over 80 concerts, and I once drove 8 hours on a work night (4 hours each way) to see Bruce Springsteen in concert for the second time in one week.

Grace Donovan

Marketing & Communication

University of Rhode Island

Bachelor of Arts in Public Relations, 2022

Hi, I'm Grace and I just graduated URI with a B.A. in Public Relations and a minor in Fashion Merchandising. A fun fact about me is that I just got my scuba diving certification and am going diving when I go to Costa Rica in June!

Hannah Robinson

Acute Care Behavioral Health
Services

University of Massachusetts Amherst

Bachelor of Arts in Psychology, 2023

Bachelor of Science in Public Health,
2023

My name is Hannah Robinson and in my free time I enjoy being outside and being active. I have a house in Colorado which I go to all year round to ski, hike, bike, and kayak. I go to the gym almost everyday and find joy in being with friends and family. Lastly, I have a three-legged cat named Lenny and I love animals.

Henry Haase

CCC Primary Care

Boston University

Bachelor of Science in Health Science, 2023

Master of Public Health, 2024

My name is Henry Haase (he/him) and I am a rising senior in a 4+1 program (B.S./MPH) at Boston University! I serve as a Resident Assistant at BU and I play piano and trading card games in my free time.

Jamiere Jefferies

Talent Acquisition

University of Maryland

Master of Professional Studies in Industrial-Organizational Psychology, 2022

Jamiere is a talent acquisition intern at CCA. She graduated from California University of Pennsylvania in May 2020 with a BA in Psychology. She is currently enrolled in the graduate program at University of Maryland Baltimore County where she is pursuing a master's in Industrial-Organizational psychology. She enjoys playing basketball, hanging out with friends, and watching movies.

Jennifer Ci

Clinical Informatics & System Development

University of Washington – Seattle

Master of Science in Biostatistics, Current Student

Jennifer likes to draw in her free time. She also enjoys traveling and cooking.

Josie Schafer

Compliance & Ethics

New England Law

Juris Doctor, 2023

I'm from Delafield, Wisconsin, and I moved to Boston for law school a few years ago. I'm currently in my third year at New England Law in Boston, where I spend a lot of time working on the *New England Law Review*, but in my free time I love boating and just walking around the city.

Kailee Hollister

Actuarial Services

Bentley University

Bachelor of Science in Actuarial Science, 2023

In my free time I enjoy playing soccer, skiing, shopping, and hanging out with friends. I also live in a lake where I like to boat, kayak, and paddle board.

Kyle Easton

Legal Affairs

Roger Williams University

Juris Doctor, 2024

Kyle Easton is a rising second-year law student at Roger Williams University School of Law and will be working as a legal intern this summer. His favorite past times are skiing, sailing, and eating buffalo wings.

Laurie Frederico

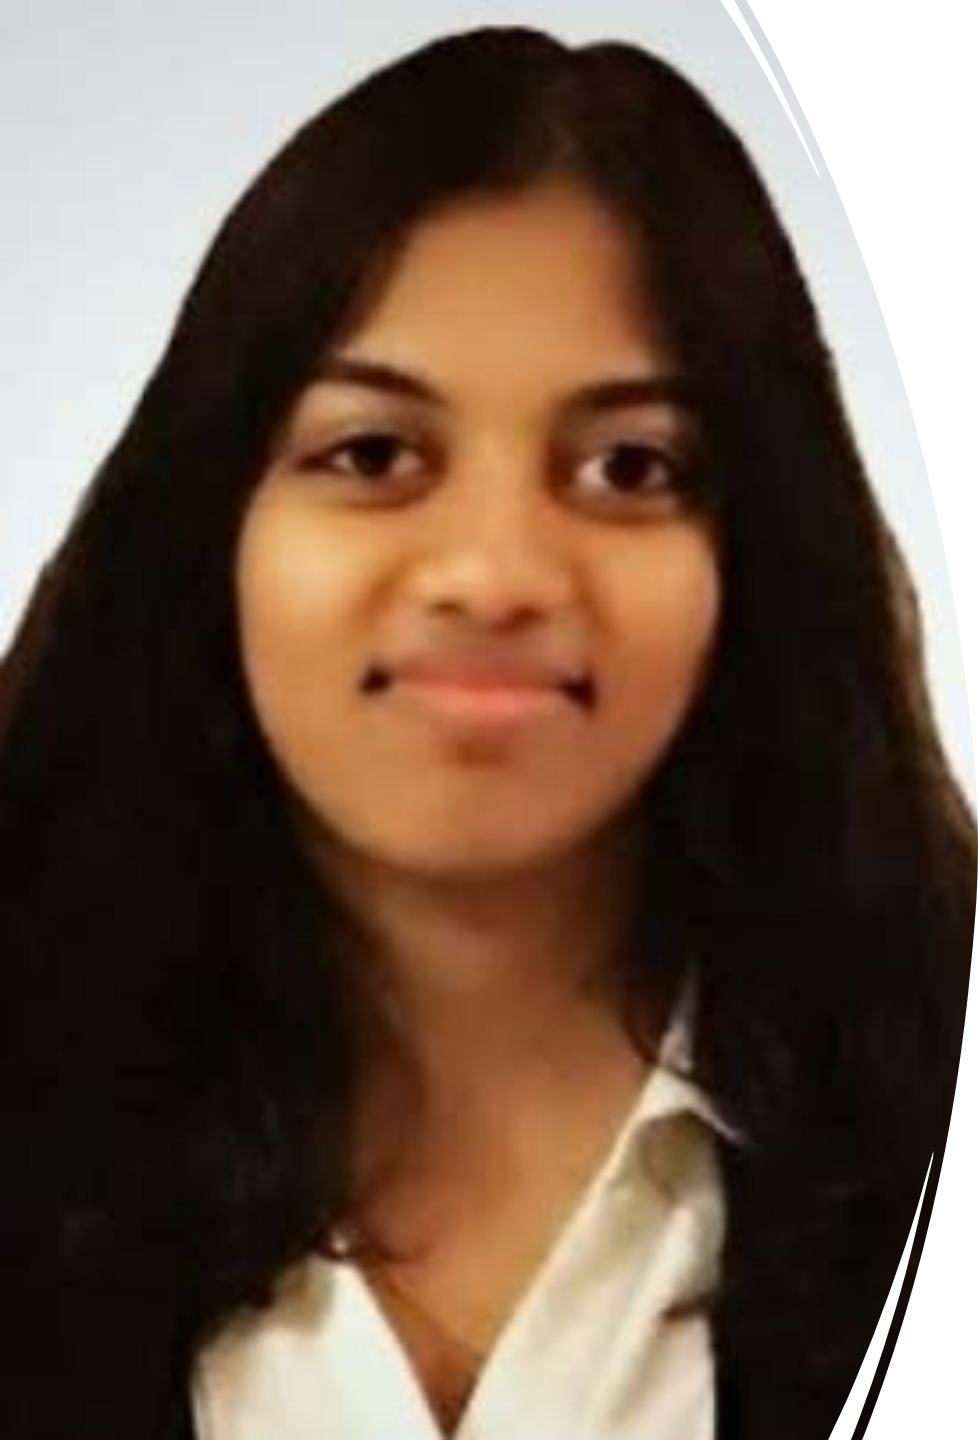

Medical Affairs

University of Massachusetts Lowell

Bachelor of Science in Public Health &
Psychology, 2023

My name is Laurie, I attend UMass Lowell and am majoring in Public Health-Health Sciences with a minor in Psychology. In my free time I enjoy binge-watching shows on Netflix, trying new foods/restaurants, and writing.

Manisha Madikonda

InstED Operations

Boston University

Master of Public Health in Healthcare Management,
2023

I speak about 5 languages (English, Telugu, Hindi, Spanish, Marathi) in varying proficiency levels, and I love to travel. In my free time, I enjoy exploring new places for food, architecture, and dive deep into the culture.

Molly Moynihan

Market Development

Northeastern University

Bachelor of Science in Health Sciences & Business
Administration, 2024

In my free time I love to travel (I'm sending this email from Berlin, Germany!) or read. I also love to sail and ski, and my favorite ski mountain is Saddleback in Maine.

Nathaniel McGough

Office of the CEO

Northeastern University

Master of Business Administration,
2023

I am a first year MBA student at Northeastern University, in my free time I enjoy running, reading, skiing and watching films.

Nicole Amodio

Provider Network Strategy

Boston University

Master of Public Health, 2023

I grew up in Phoenix, Arizona and graduated this May with a BS in Health Science from Boston University where I am a 2x captain and member of the BU softball team. I have started my MPH and will finish that up this year, but in my free time I love to hike and visit national parks as well as spend time with my chocolate lab and try new coffee shops.

Nicole Lloshi

Financial Planning & Analysis

Emmanuel College

Bachelor of Arts in Economics, 2023

Hello, my name is Nicole and I am currently an undergraduate student at Emmanuel College majoring in Economics with a minor in Finance. When I'm not studying, I like to spend my time reading, surfing, and having quality time with my family and friends. Good luck with your internships!

Ning An

IT Risk Management

John Jay College of Criminal Justice

Bachelor of Science in Police Students, 2016

Flatiron School Bootcamp

Cybersecurity Analytics Program, 2021

I'm a Chinese-Korean(one of the minority groups in China who speak both Chinese and Korean). Although I speak Chinese better now, my first language was Korean when I was in China.

Noel Gridley

Strategic Finance

Boston University

Bachelor of Science in Economics, 2023

My name is Noel Gridley and I'm a rising senior studying economics at Boston University. In my free time I enjoy seeing friends, playing video games, skiing, and music.

Noor Mezrouh

Compliance & Ethics

Babson College

Bachelor of Science in Legal
Studies, 2023

Hello, everyone! I am Noor Mezrouh. Born and raised in Boston, Massachusetts, I'm currently studying Business Administration and concentrating in Legal Studies at Babson College. When I'm not caring for my cat, I enjoy creative writing as a pastime.

Olivia Pennock

Government Relations

University of Georgia

Master of Social Work, 2023

Olivia Pennock (she/her) originally hails from Marblehead, MA and now lives in Georgia after spending 9 years in Washington, D.C. She is currently working towards obtaining her Master of Social Work and loves reading, cooking, and trying to improve her gardening skills.

Pranav Sarma Venkatramanan

IT Information System Security

Rochester Institute of Technology

Master of Science in Computer Security,
Current Student

Hello everyone! I am Pranav, a security enthusiast student, avid story lover, and a pursuing multipotentialite. During my free time, I like to read, travel, watch movies, and start a new & random hobby every 2 months- like playing an electric guitar

Pratyush Gupta Uddagiri

IT Digital Transformation

University of Maryland

Master of Information Systems, 2022

As an outgoing individual who enjoys collaborating across teams to create value and influence outcomes positively, I'm excited to work at CCA and look forward to starting. Outside work, I enjoy travelling, photography, cooking, stand up comedy, trying new food and cocktails (in no particular order)! I'm also a huge fan of cricket and football (soccer).

Sam MacArthur

Talent Acquisition

Wake Forest University

Bachelor of Arts in Philosophy, 2023

My name is Samuel MacArthur, I am a rising senior at Wake Forest University and am excited to be interning with the Talent Acquisition team this summer. I am currently majoring in Philosophy and Minor in statistics (with a focus on data analytics). I grew up in the small coastal town of Beaufort, North Carolina. At home I spend much of my free time fly fishing and boating on the area's beautiful waterways.

Sandy Reisman

Business Intelligence & Analytics

Binghamton University

Master of Science in Health Systems
Engineering, 2022

My name is Sandy Reisman and I am a graduate student at SUNY Binghamton, intending to receive my MS degree in Health Systems Engineering in July, 2022. I am excited to be working as a BI intern, helping to clarify member-provider attribution processes and implement controls to improve data management. In my free time, I love to walk around Manhattan, play tennis and go scuba diving (when I get the chance to escape to somewhere warm!).

Shannon Linsey

InstED Operations

Boston University

Master of Public Health, 2023

Shannon is an MPH Candidate at BU School of Public Health with specific focuses on Health Communication & Promotion and Sex, Sexuality, & Gender, and she will start her 2nd year in the fall. Outside of coursework, she loves competitive swimming and is currently training for a 10k (6.2 mi) open water swim this July!

Srilekha Kaliki

Actuarial Services

MCPHS

Master of Science in Pharmaceutical
Economics & Policy, 2023

Born and brought up in India, I love Bollywood dancing! I recently moved to the USA for my studies and have been trying to learn new dance styles like waltz and swing. Next up would be hip-hop! If you can't find me in my workspace, I am taking a dance break.

Walker Bartkiewicz

Actuarial Services

Oregon State University

Bachelor of Science in Business
Administration, 2024

Yihan Li

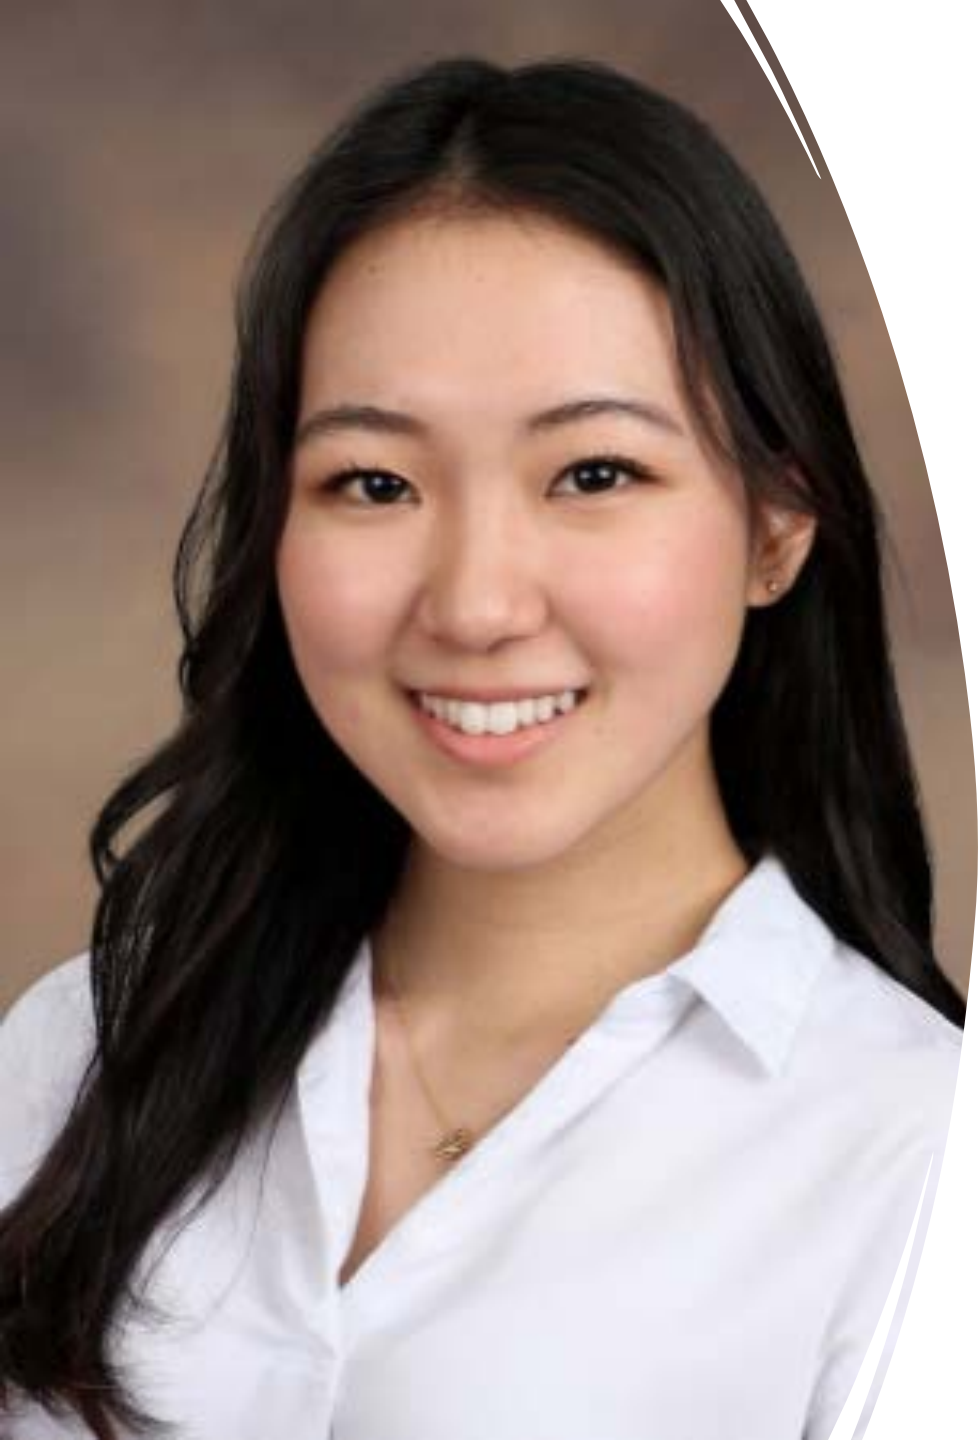

Virtual Care

University of Michigan

Master of Health Informatics, Current Student

Master of Health Services Admin, 2021

I am a graduate student at the University of Michigan. Go Blue! I love traveling, cooking, and snowboarding. A fun fact about me is that I went to prom in an exact replica of the 1966 batmobile!

Youkie Shiozawa

Provider Network Strategy

Brown University

Bachelor of Arts in Health & Human Biology, 2022

Hello! I am a senior graduating this year, and I'm originally from Tokyo, Japan. My hobbies are playing tennis and doing karate. I also love playing with my three cats, and we recently got a dog as well :) Looking forward to meeting you all!
