CLAIMS CHANGE IMPACTS FOR PROVIDERS*

Dates of Service Change Impacts

The knowledge of upcoming changes, captured below, enable high adoption.

EFFECTIVE APRIL 1, 2023:

- CCA will have a *new* single-payer ID – **A2793**
- CCA *will no longer accept invoice spreadsheets:*
Providers must use the Availity Essentials Provider Portal to submit claims
- CCA will only accept claims via **EZ-Net or QicLink** for dates of service (DOS) through March 31, 2023
- Providers must submit claims to **Availity** for DOS of April 1, 2023 & beyond

***Note:** The above changes *do not* apply to billing for routine vision, dental or hearing claims

Splitting Claims Guidelines

Understanding when to split claims can be tricky so we've highlighted the best practices to drive clarity around dates of service (DOS).

SPLIT CLAIMS WHEN:

- They span over the March 31, 2023, date of service (DOS) cutover
- DOS occur on or prior to March 31, 2023
- DOS occur on or after April 1, 2023 – submit claims using the Availity Portal

DO NOT SPLIT CLAIMS WHEN:

- They are inpatient claims that pay DRG – submit claims based on admission date
- Admissions date on or prior to March 31, 2023
- Admission date on or after April 1, 2023 – submit claims using Availity Portal

RESOLVING CLAIMS WITH DOS PRIOR TO APRIL 1

Resolving Claims

EZ-Net and QicLink systems will continue to be available for submission of claims with dates of service (DOS) prior to April 1, 2023, but must comply with the timely filing rules below*.

HERE'S WHAT YOU NEED TO KNOW:

- The start date for determining the timely filing period is the “from” date reported on a CMS-1500 or 837-P for professional claims or the “through” date used on the UB-04 or 837-I for institutional claims.
- Contracted providers must file claims within 90 days from the DOS unless otherwise stipulated in your contract
- Corrected claim requests will be considered when received within 90 days from the original payment or denial date as indicated on the EOP and accompanied by supporting documentation when applicable

***Note:** For more information, review CCA’s [Massachusetts](#) or [Rhode Island](#) provider manual
