## SECTION 3 Changes to Benefits and Costs for Next Year

<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$40	\$40

- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.

### Section 3.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay “out-of-pocket” for the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2022 (this year)	2023 (next year)

Your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$4,500	\$4,500 Once you have paid \$4,500 out-of-pocket for covered services, you will pay nothing for your covered services for the rest of the calendar year.

### Section 3.5 – Changes to Part D Prescription Drug Coverage

---

#### Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is provided electronically. The Drug List includes many – but not all – of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Member Services (see the back cover) or visiting our website ([www.ccahealthmi.org](http://www.ccahealthmi.org)).

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug List to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

#### Changes to Prescription Drug Costs

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by October 1, 2022, please call Member Services and ask for the “LIS Rider.”

There are four “drug payment stages.”

The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

**Important Message About What You Pay for Vaccines** - Our plan covers most Part D vaccines at no cost to you. Call Member Services for more information.

**Important Message About What You Pay for Insulin** - You won't pay more than \$10 for a one-month supply of each insulin product covered by our plan, no matter what cost-sharing tier it's on.

**Getting Help from Medicare** - If you chose this plan because you were looking for insulin coverage at \$35 a month or less, it is important to know that you may have other options available to you for 2023 at even lower costs because of changes to the Medicare Part D program. Contact Medicare, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week for help comparing your options. TTY users should call 1-877-486-2048.

**Additional Resources to Help** – Please contact our Member Services number at 855-959-5855 for additional information. (TTY users should call 711.) Hours are between October 1-March 31: Seven Days a week from 8:00 a.m.-8:00 p.m. ET. April 1-September 30: Monday-Friday from 8:00 a.m.-8:00 p.m ET.

**SECTION 5 Deciding Which Plan to Choose**

**Section 5.1 – If you want to stay in CCA Medicare Ultima**

**To stay in our plan, you don’t need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our CCA Medicare Ultima.

**Section 5.2 – If you want to change plans**

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

## Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR--* You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 7), or call Medicare (see Section 9.2). As a reminder, CCA Health Michigan offers other Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

## Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from CCA Medicare Ultima.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from CCA Medicare Ultima.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## SECTION 6 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

### Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription

drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

## SECTION 7 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In Michigan, the SHIP is called Michigan Medicare/Medicaid Assistance Program (MMAP).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. MMAP counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call MMAP at 1-800-803-7174. You can learn more about MMAP by visiting their website ([www.mmapinc.org](http://www.mmapinc.org)).

## SECTION 8 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Michigan HIV/AIDS Drug Assistance Program (MIDAP).
