

Commonwealth Care Alliance 2024 Product & Benefit Trainings

Commonwealth Care Alliance (CCA) is offering its annual Product & Benefit overview webinars covering the 2024 Massachusetts Senior Care Options, Medicare Preferred, Medicare Value, and One Care plans. The trainings will provide a comprehensive overview of the CCA products offered in Massachusetts and the enhancements to our 2024 benefits.

Please join us to learn more about the 2024 benefits!

Senior Care Options

- Increased OTC benefit to \$475 per quarter, with the new ability to apply funds to food and utilities for members with qualifying chronic conditions.
- Increased eyewear benefit to \$350 per year.
- Added Silver & Fit Fitness program as a fitness benefit.
- Continued \$0 cost share for all medical services.

Medicare Preferred and Value Plans*

- Continued competitive copays for members when accessing primary or specialist care, behavioral health, and physical and occupational therapy.
- Increased OTC and vision benefits.

One Care

- Continued \$25 annual exam reward.
- Continued \$0 cost share for all medical services.
