

## List of Covered Drugs Changes: November 2023

### CCA Medicare Value, CCA Medicare Preferred, & CCA Medicare Maximum

Commonwealth Care Alliance (CCA) reviews and makes changes to the Formulary (List of Covered Drugs) during the year. We may add or remove drugs. Changes may include:

- Changing our rules or limits of a drug
- Removing the brand name drug and adding the new generic drug
- Removing a drug because the Food and Drug Administration (FDA) says a drug is not safe or the drug manufacturer takes it off the market

If we are making a negative change (removing a drug, increasing the cost-sharing, or adding restrictive rules), we will notify you at least 60 days before the change is effective.

If you have questions, please call CCA Member Services at 833-346-9222 (TTY 711), 8 am to 8 pm, 7 days a week, from October 1 to March 31. (April 1 to September 30: 8 am to 8 pm, Monday to Friday, and 8 am to 6 pm, Saturday and Sunday.) The List of Covered Drugs is available on our website: [www.ccari.org](http://www.ccari.org)
