ELIGIBILITY & ENROLLMENT

Eligibility - Core Benefits

When an employee is enrolled in the medical, dental, and/or vision plans, eligible dependents may also be enrolled. Eligible dependents may also be enrolled in a supplemental life insurance plan whether the employee has enrolled or not. Eligible dependents include:

- Your legal spouse
- Your CCA registered domestic partner*
- Your children who are under age 26
- Those required by legal decree

Eligibility - Leaves; Programs and Offerings

Eligible employees do not need to take any action to have access to Paid Time Off benefits. However, to utilize leave of absence benefits, employees must inform their manager and HR Business Partner in advance of use when possible. In addition, certain CCA Programs and Offerings may have more specific eligibility rules and may involve varied steps, paperwork and/or approval to fully participate.

Benefits End Date

The last day of coverage in CCA's benefit plans is the last day worked or the last day in a benefits-eligible Employee Workforce Category ([page 3](#)). Continuing medical, dental and/or vision coverage under COBRA is an option. COBRA cost is 102% of the total plan premium.

There are continuation options for life insurance also. See [page 12](#) for Flexible Spending Account guidelines at termination. Contact Fidelity for 401(k) Plan distributions.

Enrollment

Employees are able to enroll and make changes, including dropping coverage, to benefits:

- During their new employee enrollment period (first thirty days of employment)
- During open enrollment for the following benefit year
- Within 30 days of an eligible life event

All Life Event changes are subject to review, and include:

- Loss of coverage
- Birth or adoption
- Marriage
- Divorce or legal separation
- Spouse, CCA registered domestic partner and/or child gained or lost coverage
- Change in cost/coverage under another employer's plan
- Age 26/parent plan coverage ends
- Death
- Moved residence (see [page 5](#) and [page 10](#) for medical plan changes for a move in- or out- of New England)
- Medicare eligibility for you, spouse, or CCA registered domestic partner

*Domestic partners must meet Commonwealth Care Alliance eligibility qualifications and complete a domestic partner affidavit.

IMPORTANT: Per IRS guidelines, benefits for domestic partners are subject to different tax treatment than other qualified dependents. Employee contributions for domestic partner benefits will be taken on an after-tax basis. Additionally, the value of CCA's financial contribution towards coverage for a domestic partner is considered imputed income and must be reported by CCA as taxable income on each paycheck.

MEDICAL BENEFITS (BCBS)

Commonwealth Care Alliance offers two medical plans, both administered by Blue Cross Blue Shield of Massachusetts:

- HMO Blue New England -- only available to employees who live in New England (MA, CT, RI, NH, VT, ME)
- PPO Blue Care Elect (available to all U.S. employees)
 - PPO New England option (for employees who live in a New England state: MA, CT, RI, NH, VT, ME)
 - PPO Out of Area option (for employees who live in a state outside of New England)

The PPO New England and PPO Out of Area options have the same plan design, co-pays, and co-insurance. Employee premiums differ for these two options with the PPO New England having higher premiums because New England employees have a choice of the HMO plan and out of New England employees do not. The addition of the PPO Out of Area option supports CCA's planned growth outside of MA.

-  HMO Blue New England Service Area (all New England states). When out of the HMO Blue New England Service Area, Urgent and Emergency services are available.
-  Employees living outside of New England must enroll in the PPO.

To see if your doctors are in network, visit myfindadoctor.bluecrossma.com or call BCBS at 1-800-262-BLUE (2583). Select your network to continue. When searching for an HMO provider or facility select "HMO Blue New England" (HMO). For PPO Blue Care Elect providers, select the "PPO/EPO" network.

HMO (HEALTH MAINTENANCE ORGANIZATION)

Our HMO Blue New England plan gives you access to New England's best doctors and hospitals. With an HMO, you're:

- Required to choose a primary care provider (PCP)
- Required to get a referral from your PCP to see specialists
- Covered when receiving care from in-network doctors and hospitals.

PPO (PREFERRED PROVIDER ORGANIZATION)

Our PPO plans offer greater flexibility and a wider network of doctors and hospitals to choose from. With a PPO plan, you're:

- Not required to choose a primary care provider (PCP), although it is recommended
- Not required to get a referral to see a specialist
- Covered for care received in- and out-of-network, but you may have to pay more for out-of-network care.

Urgent and emergency care while traveling is covered under both of these plans. If enrolled in the HMO, all follow-up visits must be in-network. Most Massachusetts doctors and hospitals are in the HMO and PPO networks.

Plan design details for the HMO and PPO plans are on the following page.

Health Care Reform: Commonwealth Care Alliance offers health insurance that meets all of the health reform law requirements to satisfy your health insurance mandate requirements. Therefore, you will not qualify for any federal assistance to purchase an individual or family policy on the health exchange marketplace.

PRESCRIPTION DRUG BENEFITS (BCBS/CVS CAREMARK)

Prescription Drug coverage is included with both the HMO and PPO medical plan. Most pharmacies nationwide are in network. There is no deductible.

	Tier 1 -- Preferred Generic Drugs	Tier 2 -- Non-Preferred Generic Drugs	Tier 3 -- Preferred Brand Name Drugs	Tier 4 -- Non-Preferred Brand Name Drugs
Retail Pharmacy -- 30-day supply	\$5 co-pay	\$20 co-pay	\$50 co-pay	\$100 co-pay
Mail Order -- 90-day supply	\$10 co-pay	\$40 co-pay	\$100 co-pay	\$300 co-pay

Note: 90-day prescriptions are available at the pharmacy for the cost of three 30-day copays.

See the Total Rewards: Resources page on CommonGround for the complete summary of benefits. This outline is a brief summary. If there are any differences between this chart and any of the plan documents, the plan documents shall govern.

CVS CAREMARK: MAIL ORDER PRESCRIPTIONS

Mail order prescription benefits from CVS Caremark Mail Service save you money and are available under your HMO or PPO plan. CVS Caremark Mail Service: 1-877-817-0477

- In many cases, you'll pay less for a 90-day supply of maintenance medications (also known as long-term medications) than you would for three 30-day supplies at a retail pharmacy
- Medications are shipped to you at no additional cost for standard shipping
- With fewer refills and no trips to the pharmacy, you'll be less likely to miss a dose

Prescription Drug Tiering

Medications are placed in tiers. This is done according to a variety of factors, including what they're used for, their cost, and whether equivalent or alternative medications are available. Lower-tier medications cost less than higher-tier medications.

PRESCRIPTION DRUG TIERS

Tier 1: Preferred Generics	These medications are preferred because they cost less than other generic medications.
Tier 2: Non-Preferred Generics	Non-preferred generic medications cost more than preferred generics, so you'll pay more if you use them instead of preferred generics.
Tier 3: Preferred Brands	These are preferred brand-name medications because they're safe, effective alternatives to more expensive brands.
Tier 4: Non-Preferred Brands	Non-preferred brand-name medications cost more than preferred brands, so you'll pay more if you use them instead of generics or preferred brands.

For the most current and complete information about covered medications, use the BCBS Medication Lookup tool at bluecrossma.com/medications. Choose 4-tier plan option.

DENTAL BENEFITS (DELTA DENTAL)

Commonwealth Care Alliance offers a dental plan with Delta Dental of Massachusetts. The plan covers exams, cleanings, diagnostic costs and treatments.

As a Delta PPO Plus Premier subscriber, you have access to two of Delta Dental's networks—Delta PPO and Delta Premier. The PPO network of dentists is smaller but you receive broader discounts. The Premier network is the largest dental network in the country, but the discounts are less than in the PPO network. You may choose not to go to a Delta provider. Out of network coverage percentages are the same as in network, but they are applied to a lower procedure allowance rate. Also, you may be billed for the difference between the provider's charge and the allowed amount (i.e., balance billed). To see if your dentists are in network, visit www.deltadentalma.com or call Delta at 1-800-872-0500.

Calendar Year Deductible -- Deductible is waived for Preventive and Diagnostic Care

\$50 per individual/\$150 per family

Annual Plan Maximum per member*

\$2,000

Lifetime Orthodontia Maximum

*Delta Dental offers the "Rollover Max" benefit. To qualify for "Rollover Max", you must receive at least one cleaning or one oral exam in the plan year. If you use less than \$800 in dental benefits this year, \$600 will be rolled over into next year's benefit, along with any previously accumulated rollover amount. The maximum accumulated rollover is limited to \$1,500. Applies to a calendar year when you are a CCA employee prior to October 1.

EMPLOYEE CONTRIBUTIONS

Employee contributions are deducted from your gross pay on a pre-tax basis*. These contributions are per pay period with twenty-four deductions per year. Consequently, in months with a third pay date, no benefit deductions apply (except 401(k)).

	2025 MEDICAL/RX EMPLOYEE CONTRIBUTIONS (PER PAY PERIOD)		
	 HMO	 PPO New England	 PPO Out of Area
Employee Coverage	\$ 96.43	\$ 145.82	\$ 126.80
Employee + One Coverage	\$ 196.00	\$ 291.63	\$ 253.60
Family Coverage	\$ 293.14	\$ 437.45	\$ 380.39

- HMO Blue New England -- only available to employees who live in New England (MA, CT, RI, NH, VT, ME)
- PPO Blue Care Elect (available to all U.S. employees)
 - PPO New England option (for employees who live in a New England state: MA, CT, RI, NH, VT, ME)
 - PPO Out of Area option (for employees who live in a state outside of New England)

The PPO New England and PPO Out of Area options have the same plan design, co-pays, and co-insurance. Employee premiums differ for these two options with the PPO New England having higher premiums because New England employees have a choice of the HMO plan and out of New England employees do not. The addition of the PPO Out of Area option supports CCA's planned growth outside of MA. As relates to medical plan enrollment, it is particularly important – and the employee's responsibility – to notify HR/Total Rewards ASAP if you move outside of New England.

	2025 DENTAL AND VISION EMPLOYEE CONTRIBUTIONS (PER PAY PERIOD)	
	 Dental	 Vision
Employee Coverage	\$ 10.51	\$ 3.30
Employee + One Coverage	\$ 20.80	\$ 4.78
Family Coverage	\$ 33.51	\$ 8.57

Delta Dental and EyeMed Vision plans provide coverage outside of MA – both in-network and out-of-network.

Employees on leave of absence are responsible to pay these same contribution amounts. Please discuss your payment options with the Leave/HR Operations Specialist (HR@commonwealthcare.org) before going on leave.

*excluding premiums for domestic partner coverage.

Employee + One: "One" can be a spouse, domestic partner, or child.

Family: Employee plus two or more dependents.

FLEXIBLE SPENDING ACCOUNTS (VOYA FSAs)

Health Care FSA and Dependent Care FSA

Health Care FSA and Dependent Care FSA plans run on a calendar year basis. You may elect to reduce your pay to use pre-tax dollars to fund eligible medical/Rx, dental, and vision expenses, or eligible dependent care expenses. Be careful when estimating your election as you may forfeit unused amounts (refer to table on [page 12](#)).

Eligible Health Care FSA expenses may include co-pays, co-insurance amounts, and deductibles. Certain Over-The-Counter (OTC) medicines and feminine care products and face masks and hand sanitizer are also eligible for reimbursement.

Eligible Dependent Care expenses may include child care, before- and after-school care, and summer day camp. This account cannot be used for dependents age 13 or over, unless they are disabled. Your dependent care provider must be willing to provide their tax identification number. Before being reimbursed for eligible dependent care expenses, the reimbursement amount must have already been deducted from your paycheck.

Voya administers these plans. It is recommended that you carefully calculate their FSA contributions, and read the FSA information available on the Voya website, myhealthaccountsolutions.voya.com, to ensure you fully understand how FSA plans work.

Health Care Flexible Spending Account Tax Savings Example		
	without FSA	with FSA
Annual Income	\$ 60,000	\$ 60,000
FSA Pre-Tax Deduction for Medical Expenses	\$ 0	\$ 2,500
Taxable Income	\$ 60,000	\$ 57,500
Taxes Withheld (@30%)	\$ 18,000	\$ 17,250
After Tax Medical Expenses	\$ 2,500	\$ 0
Take Home Pay	\$ 39,500	\$ 40,250
Annual Savings with FSA		\$ 750

For the same \$2,500 paid for health-care expenses, you pay less money in taxes by participating in the Health Care FSA.

LIFE INSURANCE BENEFITS (HARTFORD)

Basic Life/AD&D Coverage: Employee only

Commonwealth Care Alliance provides life insurance from Hartford Life with a death benefit of two times your annual salary (doubled in the event of accidental death) up to a maximum benefit of \$600,000. Life benefits reduce at age 70 by 35% and at age 75 by 50%. Commonwealth Care Alliance pays the full cost of your basic life and accidental death and dismemberment insurance, however, per IRS guidelines, you will be taxed on life insurance coverage over \$50,000 (coded as G.T.L. on your paystub).

It is very important when you enroll in your benefits to name a beneficiary(ies). Otherwise, a CCA life insurance payment will be paid according to plan guidelines, which may be different than the recipient you intended.

Supplemental Life Coverage: Employee, Spouse & Child

Commonwealth Care Alliance also offers voluntary, employee-paid life insurance and spouse and domestic partner life insurance through Hartford Life. The cost is based on the coverage amount and employee's current age. \$10,000 of supplemental life is available for children at a cost of \$1 per month regardless of the number of children.

If you don't purchase supplemental life insurance for yourself or your spouse during your initial benefits eligibility period but instead apply during a future enrollment period, you must submit a Personal Health Application (PHA) to Hartford Life for medical underwriting for the full amount desired. Your coverage request may be denied based on Hartford's evaluation of your PHA.

If you were hired before 1/1/19 and approved for supplemental employee life greater than \$200,000 and/or for spouse supplemental life greater than \$25,000, those coverage amounts may continue.

Employee Supplemental Life Benefit	
Coverage Maximum	\$ 200,000
Coverage Minimum	\$ 10,000
Spouse Supplemental Life Benefit	
Coverage Maximum	\$ 25,000
Coverage Minimum	\$ 10,000
Child Supplemental Life Benefit	
Birth - <26 years	\$ 10,000

Employee and/or Spouse Supplemental Life Monthly Rate per \$1,000 of Coverage	
Employee Age*	Rate
<35	\$ 0.041
35-39	\$ 0.050
40-44	\$ 0.072
45-49	\$ 0.108

60-64	\$ 0.425
65-69	\$ 0.720
70-74	\$ 1.373
75-79	\$ 2.580

*Employee age is used to calculate both employee and spouse life premium. For example, a 37 year old employee buying \$100,000 of employee coverage and \$25,000 of spouse coverage would pay \$5/employee and \$1.25/spouse or \$6.25 per month.

DISABILITY BENEFITS (HARTFORD)

Short-Term Disability Coverage

Commonwealth Care Alliance offers employer paid short-term disability coverage through Hartford Life, to provide short-term income protection if you become disabled from a covered injury, sickness, or pregnancy and are unable to work. The short-term disability benefit begins on the eighth calendar day of disability. The benefit pays 60% of your salary up to a \$3,500 weekly benefit maximum, fully taxable, for the duration of your short-term disability (up to twenty-five weeks of disability payments depending on the underlying medical condition). Pre-existing conditions are eligible.

Long-Term Disability Coverage

Hartford Life is also the insurer for the company paid long-term disability insurance. The benefit will replace 60% of your salary after 180 days of disability, with a maximum benefit of \$15,000 per month. Pre-existing conditions may limit your eligibility for CCA's LTD coverage.

Please be advised that while CCA pays the premium for the LTD, CCA does not pay the taxes on the premium. Therefore, employees can choose to pay the taxes on the premium now, or the taxes on any LTD benefit later.

If you do not make a taxed or non-taxed election when completing your benefits enrollment, LTD non-taxed is the default enrollment.

Long-Term Disability Taxation Options*

401(k) RETIREMENT PLAN (FIDELITY)

Commonwealth Care Alliance offers eligible employees the ability to save for retirement through our 401(k) Plan. You may make pre-tax and/or Roth post-tax contributions deducted directly from your paycheck up to the IRS-designated calendar year maximum. Employees 50 or older may contribute an additional amount as "catch-up contributions." You are always 100% vested in the contributions you make to the 401(k) plan.

Employees may enroll in the plan as of date of hire. Alternatively, to make saving for retirement as easy and convenient as possible, CCA automatically enrolls all eligible new hires at a 6% pre-tax contribution effective forty-five (45) days after date of hire, and in a target date fund that aligns with your retirement age. You can elect to change this anytime. Automatic enrollment applies to eligible new hires who do not enter any contribution percentage, including zero percent.

In addition, CCA is committed to helping you reach your retirement goals. 401(k) eligible staff are immediately eligible for the CCA matching contribution. The current match formula is:

- 100% match on the first 3% contributed and 50% match on the next 3% contributed

If you contribute 6% or more from your paychecks during the calendar year, you will receive the maximum employer match of 4.5% of your eligible pay.

The CCA 401(k) plan is administered by Fidelity Investments. Go to www.netbenefits.com/atwork for all 401(k) transactions: enroll, change your contribution, choose investment funds, rebalance investments and enter beneficiary information.

Your Age	Calendar Year 401(k) Contribution Limits (2025)
Under 50 years	\$ 23,500
50+ years	\$ 31,000

The employer match is subject to a vesting schedule. If you leave CCA, the vested portion of your balance is yours to keep.

Employer Match Contribution Vesting Schedule (for employees hired after 12/31/16*)	
Years of Employment	Vested Balance
1	20%
2	40%
3	100%

*Seniority date for rehires and acquired employees.

401(k) Employer Match Example	
Employee earns annual salary of \$50,000 and contributes 6% of pay.	
Salary per pay period (bi-weekly)	\$ 1,923.08
6% Contribution by employee	\$ 115.38
Employer Match on First 3%	\$ 57.69
Employer Match on Next 3%	\$ 28.84
Total Match per pay period	\$ 86.53

CCA's 401(k) Plan offers a number of investment funds to help you build your retirement savings. You may choose individual funds to build your own portfolio or simplify your selection through a single target date fund that aligns with your retirement age and provides appropriate asset allocation.
