Dear Providers,

We're writing to inform you of upcoming changes to the Senior Care Options (SCO) and One Care programs that will take effect on **January 1, 2026**. These changes, included as part of the transition from a **Medicare-Medicaid Plan (MMP)** to a **Fully Integrated Dual Eligible Special Needs Plan (FIDE-SNP)**, are outlined in the **2026 Annual Notice of Change (ANOC)** mailed to members in early October. We want to ensure you are aware of these updates so you can support your patients and respond to any questions they may have.

The ANOC outlines changes in areas such as:

- Home care support (e.g., chores, meal prep, companionship, grocery shopping, home-delivered meals)
- Personal care attendant support for cueing and monitoring
- Structured day services (excluding adult day health and day habilitation)
- Home modifications to improve safety
- Non-medical transportation for errands and appointments
