To: CCA Senior Care Options and CCA One Care Providers
From: Commonwealth Care Alliance® (CCA)
Subject: Serious Illness Support: Partner with Tuesday Health
Effective Date: 07/01/2026

Summary

In challenging times, your patients need comprehensive support that addresses the complexities of serious illness. Partnering with Tuesday Health can help you achieve that by offering an extra layer of support for your patients and their families. Commonwealth Care Alliance has recognized the value of Tuesday Health in providing this critical support.

Impact

Tuesday Health is committed to alleviating the symptoms and stress associated with serious illness for eligible Commonwealth Care Alliance® One Care (HMO D-SNP) and Commonwealth Care Alliance® Senior Care Options (HMO D-SNP) enrolled members. Our team, consisting of physicians, specialized nurses, and social workers, collaborates closely with you to provide:

- **Flexible Support for Your Most Complex Patients** – We provide specialty-trained palliative care for patients with serious illness in-person, through video visits, or health check-in calls.
- **Proactive Illness Management Around the Clock** – We provide 24/7 clinical support to help patients manage pain, breathlessness, nausea, and other distressing symptoms.
- **Facilitate Complex Conversations** – Our team has deep expertise and training in navigating serious illness conversations. We help patients and families articulate goals of care and treatment preferences. These conversations can happen with us alone or in partnership with you, ensuring care aligns with what matters most to the patient.
- **Advance Care Planning Support** – We guide patients through documenting their preferences, including advance directives, reducing stress and confusion in high-pressure situations.
- **Coordinate Across the Care Team** – We collaborate closely with primary and specialty providers to align care plans and reduce fragmentation.
