

# Commonwealth Care Alliance® Clinical Practice Registry

## The Perfect Tool to Streamline Your Practice!

The Commonwealth Care Alliance (CCA) Clinical Practice Registry is an online tool available to providers to identify and prioritize needed health care services, screening, and tests for CCA members. The Clinical Practice Registry is easy to access via the secure Provider Portal.

- **Identify gaps in care:** View preventive service history and easily identify Healthcare Effectiveness Data and Information Set (HEDIS®) gaps in care to discuss during appointments.
- **Holistically address patient care:** Receive alerts when CCA members need tests or screenings, review member appointment histories, and view their prescriptions.
- **Improve clinical outcomes:** Easily sort members into actionable groups for population management.

The screenshot shows a web interface with several filter menus at the top: 'Select State' (All, Georgia, Indiana), 'Select Plans' (All, Marketplace, Medicaid), 'Select Measures' (All, Adult Access, Asthma Control), 'Select Criteria' (All, Red, Yellow), 'Select Patient Status' (All, Established, New), and 'Select Enrollment Status' (All, Continuous, Recent). Below these is a 'Select Attribution Type' menu (All, Assigned as PCP, Attributed as PCP via Claims). A pagination bar shows 'Page 1' and 'Records 10/15'. The main table has columns for Attribution Type, Member Name, Member ID, DOB, Sex, Race, Plan, LDB, Adult Access, Asthma Control, Beta Blocker, Breast Cancer, Cervical Cancer, Colorectal Cancer, Chlamydia, Eye Exam, A1C, Kidney Function, EB, Lead, # of Visits, DOB, and Well Care. The table contains three rows of data with color-coded cells: red for 'Adult Access', green for 'Asthma Control', 'Breast Cancer', and 'Colorectal Cancer', and red for 'Eye Exam'.

The registry is color-coded, so you can easily identify areas of focus for your patients:

**Green** Service was rendered

**Yellow** Service needed

**Red** Service past due

**Grey** Not applicable

The registry includes information on but not limited to the following quality measures:

- Adult access
- Breast cancer screening
- Cervical cancer screening
- Colorectal cancer screening
- Chlamydia screening
- Diabetes
- Emergency room visits
- Lead screening
- Well-care visit

## How to Access the CCA Clinical Practice Registry

Providers will need to register for the Provider Portal to access the Clinical Practice Registry.

**Our Provider Portal is free, secure and easy to use.**

### Provider Portal Registered Users

- Visit **CommonwealthCareAlliance.org** and click **Provider Portal**.
- Enter your username and password and click **Log in**.

### Four easy steps to register for the Provider Portal:

1. Click **Register** to establish your account by creating your username and password.
2. For added security, set up the multifactor authentication.
3. To connect your account, you will need your Provider Name, Federal Tax ID (TIN), Provider ID, and ZIP Code.
4. Review and accept the Agreement.

Please note your username and password so you can use it to access the CCA Clinical Practice Registry and the many other helpful tools available on the Provider Portal.

Visit the secure online Provider Portal and see how the Clinical Practice Registry can easily fit into your daily workflow and help improve patient outcomes!
